is a soldier. Neither is free. Under the Martial Empire, defiance is met with death. Those who do not vow their blood and bodies to the Emperor risk the execution of their loved ones and the destruction of all they hold dear. It is in this brutal world, inspired by ancient Rome, that Laia lives with her grandparents and older brother. The family ekes out an existence in the Empire's impoverished backstreets. They do not challenge the Empire. They've seen what happens to those who do. But when Laia's brother is arrested for treason, Laia is forced to make a decision. In exchange for help from rebels who promise to rescue her brother, she will risk her life to spy for them from within the Empire's greatest military academy. There, Laia meets Elias, the school's finest soldier—and secretly, its most unwilling. Elias wants only to be free of the tyranny he's being trained to enforce. He and Laia will soon realize that their destinies are intertwined—and that their choices will change the fate of the Empire itself.

"Laia is a Scholar living under the iron-fisted rule of the Martial Empire. When her brother is arrested for treason, Laia goes undercover as a slave at the empire's greatest military academy in exchange for assistance from rebel Scholars who claim that they will help to save her brother from execution"--

Beyond the Empire and within it, the threat of war looms ever larger as the Blood Shrike, Helene Aquilla, Laia of Serra, and Elias Veturius all face increasing dangers.

In this extended edition of #1 New York Times best-selling author Melissa de la Cruz's dazzling tale of glamour, enchantment, and betrayal, love is risked and lives are lost in a desperate battle to save the kingdom from a devious foe determined to control the empire. Once, they were inseparable, just two little girls playing games in a formidable castle. Now Princess Marie-Victoria, heir to the mightiest empire in the world, and Aelwyn Myrddyn, a bastard mage, face vastly different futures. As the annual London season begins—a whirlwind of wealth and magic marked by lavish parties and gorgeous girls vying for the attention of young royals—the talk of the town is Ronan Astor, a social-climbing American with only her beauty to recommend her. After falling for a handsome rogue on the voyage over, she must balance her desire for love with her duty to save her family's position. Meanwhile, Isabelle of Orleans finds herself cast aside by Leopold, heir to the Prussian crown, in favor of a political marriage

to Marie-Victoria. Isabelle is bent on reclaiming what is hers, but Marie doesn't even want Leopold—she lost her heart long ago to a boy she will never be able to have. Desperate to escape a life without love, Marie turns to Aelwyn, and the girls form a perilous plan that endangers the fate of the monarchy.

"Laia, Elias, and Helene must risk everything to defeat their foes--both human and supernatural--and prevent the coming of an otherworldly maelstrom"--

New York Times bestselling author Sabaa Tahir joins writer Nicole Andelfinger and artist Sonia Liao for an all-new original graphic novel introducing the dangerous world of An Ember in the Ashes to new readers and revealing an untold story of Elias and Helene's beginnings at Blackcliff Academy in this stirring standalone chapter in the series' mythology. Before they were on different sides of a revolution, Elias and Helene were comrades at Blackcliff Military Academy. When they're sent on a dangerous mission to steal a heavily-guarded poison on Isle South, they soon find themselves up against surprising enemies—including other recruits. As the true horror of their assignment is revealed, they will begin to confront the harrowing realities of Martial rule, their place in the system...and

#1 New York Times bestselling author Kendare Blake returns with the highly anticipated third book in the Three Dark Crowns series! And while Arsinoe, Mirabella, and Katharine all have their own scores to settle, there is another queen stirring things up on Fennbirn Island. Queen Katharine has waited her entire life to wear the crown. But now that she finally has it, the murmurs of dissent grow louder by the day. There's also the alarming issue of whether her sisters are actually dead—or if they're waiting in the wings to usurp the throne. Mirabella and Arsinoe are alive, but in hiding on the mainland and dealing with a nightmare of their own: being visited repeatedly by a specter they think might be the fabled Blue Queen. Though she says nothing, her rotting, bony finger pointing out to sea is clear enough: return to Fennbirn. Jules, too, is in a strange place—in disguise. And her only confidants, a war-gifted girl named Emilia and her oracle friend Mathilde, are urging her to take on a role she can't imagine filling: a legion-cursed queen who will lead a rebel army to Katharine's doorstep. This is an uprising that the mysterious Blue Queen may have more to do with than anyone could have guessed—or expected. Don't miss *Five Dark Fates*, the thrilling conclusion to the series!
