The author of *AlterKnits Felt* shows knitters how to turn a little yarn into fun projects and gifts—including baby clothes, bags, and household items. “Two needles and one (or one more) skein of yarn—the possibilities never cease to amaze me,” writes Leigh Radford in the introduction to her new book. Radford’s fascination with the creative potential of these raw materials is evident throughout *One More Skein*, where she melds the alternative approach to knitting and felting she introduced in *AlterKnits* and *AlterKnits Felt* with the magic she worked with a single skein of yarn in the bestselling *One Skein*. *One More Skein* features 30 diverse projects that can be completed with one or two average-sized skeins of yarn or multiple bits of leftover yarn. Projects include an earflap hat sized for the whole family; fingerless mitts; sweaters, britches, and capelets for baby; hemp jewelry embellished with jump ring “beads”; a felted, pleated sleeve to dress up a vase; and a multicolored blanket worked from assorted stash yarn. All of them are quick and relatively easy to make, without sacrificing beauty or ingenuity.

Easy enough for beginners and exciting enough to inspire experts, felted knitting offers endless possibilities for creative crafting. The method is simple and magical — knit the project large and loose, wash it in hot water, and see it transformed into a soft and cozy garment or accessory. Kathleen Taylor encourages you to explore the possibilities of felted knitting with 25 spectacular projects that include mittens, slippers, hats, bags, stuffed animals, and more. Embellish your life with unique and stylishly comfortable creations.

These knitted and crocheted fashion accessories and decorative accents for the home vary in their required levels of skill, but all can be completed quickly and require only one skein of yarn. The stitch patterns and clear instructions make it easy for even procrastinators and the less-than-diligent to create a ruffled cravat, a drawstring bag, a tank top, cozy scarves, arm and leg warmers, lace wristlets, fingerless gloves, a mohair pillow, and even a sweater for a baby. Several projects do not require any new yarn at all—instead projects such as the Felted Striped Tote or the Labyrinth Circle Rug are designed using up a skein's worth of leftovers from other projects. A guide to terms and techniques, a resource directory, and a bibliography are also included.

Presents twenty-five projects for knitting and wet-felting projects, including patterns for handbags, slippers, and child's toys, and provides tips on felting techniques and knitting instructions.
