An Introduction to Visual Culture

Abstract. "This introduction to visual culture explores the ways we use and understand images. It looks at painting, photography, film, television, and new media across the realms of art, advertising, news, science, and law. Authors Marita Sturken and Lisa Cartwright present the diverse range of approaches to visual analysis that have emerged in the last few decades, and lead the reader through the key theories of visual culture in an accessible and highly readable approach."

Practices of Looking: An Introduction to Visual Culture ...

Visual culture is concerned with visual events in which information, meaning, or pleasure is sought by the consumer in an interface with visual technology. By visual technology, I mean any form of apparatus designed either to be looked at or to enhance natural vision, from oil painting to television and the Internet.
