**Beach Boys Complete**
THE DRIVE-IN, BB RADIO, HISTORY. The Beach Boys are the premiere rock vocal group in the world. Formed in 1961, brothers Brian Wilson, Dennis Wilson, Carl Wilson along with their cousin Mike Love and schoolmate Alan Jardine blended rootsy Chuck Berry R&B, The Four Freshman's intricate vocal harmonies, and the topical splendor of California's myths of an Endless Summer into a unique, new form.

**The Beach Boys—The Complete Guide**
NOTE: Although The Beach Boys' reputation was built as a singles act, it was through listening to their albums that I really grew to love them. The depth of their albums, starting with Surfer Girl on, began to be filled with not only the familiar hit singles, but increasingly challenging album cuts and production touches that made them the envy of their contemporaries.

BeachBoys.com: The Complete Guide. ALBUMS REVIEWS III: 1970-1980. I - II - III - IV. NOTE: The 1970's were a period of sharp contrasts for the Beach Boys, starting out on a high with "Sunflower," and ending with the flame-out of "Keepin' The Summer Alive." Scattershot in their successes, the band watched their earnest efforts to stay relevant fail miserably, and by 1980, their concerts leaned exclusively upon their early hits from the 60's, leaving their 70's material to be ...

The books in this series detail every recorded song in each artist's catalogue from the start of their careers to the present day. Shaped like a CD box, these books are designed to sit neatly alongside a CD collection.

(Vocal Collection). 12 sundrenched hits from The Beach Boys, with vocal parts transcribed exactly as recorded lead, harmony and background parts, and all inflections. Includes a keyboard reduction of the instrumental parts, and chords labeled to be played by any instrument. Songs: Barbara Ann \* California Girls \* Don't Worry Baby \* Fun, Fun, Fun \* God Only Knows \* Good Vibrations \* I Get Around \* In My Room \* Little Deuce Coupe \* Surfer Girl \* Surfin' U.S.A. \* Wouldn't It Be Nice.

Updated and redesigned editions of the classic guides to the music of the world's best known acts. Written by experts, each book examines every song in a given artist's recorded repertoire, making it an invaluable guide for collectors and fans alike.

They were almost The Pendletones—after the Pendleton wool shirts favored on chilly nights at the beach—then The Surfers, before being named The Beach Boys. But what separated them from every other teenage garage band with no musical training? They had raw talent, persistence and a wellspring of creativity that launched them on a legendary career now in its sixth decade. Following the musical vision of Brian Wilson, the Beach Boys blended ethereal vocal harmonies, searing electric guitars and lush arrangements into one of the most distinctive sounds in the history of popular music. Drawing on original interviews and newly uncovered documents, this book untangles the band's convoluted early history and tells the story of how five boys from California formed America's greatest rock 'n' roll band.

Inside the Music of Brian Wilson is, as author Phillip Lambert writes in the prologue "completely, and intensely, focused on the music of Brian Wilson, on the musical essence of his songs and the aesthetic value of his artistic achievements. It acknowledges the familiar biographical contexts of his songs, but it tells completely new stories about the birth and evolution of his musical ideas, identifying important musical trends in his work, heretofore undisclosed inter-song connections within his music, or between his music and that of others, and the nature and extent of his artistry. It aims not just to identify great songs, but to explain exactly what makes them so." Lambert, a renowned musicologist, brings to this work to life with both his professional expertise and an infectious personal appreciation of the power of pop music. His clear, engaging tone and accessible writing style allows even a musically inexperienced reader to follow him as he traces Wilson's musical evolution, with a particular focus on the years leading up to the writing and recording of Pet Sounds and SMiLE, albums which many consider to be the masterpieces of his oeuvre. Inside the Music of Brian Wilson is the definitive book on Wilson's music and is essential reading for fans of Brian Wilson, the Beach Boys, and great pop music. Includes THREE amazing Appendixes: Appendix 1: Brian Wilson Song Chronology\* Appendix 2: Four Freshmen Albums, 1955-1961 Appendix 3: Favorite Songs and Influences Through 1961 \*The most complete song chronology ever published.
