~~3.5 of 5 stars (rounded up due to the topic in the book) for Black Notice, the 10th book in the "Kay Scarpetta" thriller and suspense series, written in 1999 by Patricia Cornwell. ~~BLACK NOTICE is a fast-paced thriller, filled with nail-biting suspense and several interesting surprises. Taking Kay and Marino to Paris is a nice new touch, although some Scarpetta fans may find Kay's Paris romance happening a little too fast and may also wish that Marino's Benton-may-still-be-alive theory was taken a little further.~~
