It is a truth, universally acknowledged, that the best of all colors is red. That's right, red is the most beautiful and delightful. Everyone agrees. And so we made this activity book, celebrating the greatest color of all. Packed with fun activities like mazes, one-color coloring, spot-the-difference, creative writing prompts, drawing lessons, search & finds, paper toy crafts, and more! With bonus stickers included, celebrate your favorite color like you've never done before. And unlike other books, this one was specially made with EVEN MORE red inks to create more variations of the color than you've ever seen in print! Oh, and we also created seven other activity books celebrating those other—clearly subpar—colors that people seem to also like for some silly reason: ORANGE, YELLOW, GREEN, BLUE, PINK, PURPLE, and BLACK. The My Favorite Color Activity Book series has a color for everyone!

Based on extensive research and the authors' combined thirty years of experience,

Discovery-Driven Growth provides a breakthrough system for managing strategic growth. You will learn how to identify and prioritize your company's full portfolio of opportunities - from new product lines to entirely new businesses. The authors then show how to best execute specific initiatives, test major project assumptions, and develop a culture that values disciplined experimentation and learning over meeting mindless and unrealistic goals. Tools for dealing with each challenge are backed by examples from companies, from small firms to global giants, that have successfully put these methods into practice.
