Brandon Lattu | Not Human: A two-part exhibition at Leo Koenig Gallery. Brandon Lattu's fourth exhibition with the gallery is a combination of two video installations, and a series of three-dimensional painted photographs, each created by removing the human factor from the process of selecting the building blocks of the narrative and allowing a proprietary computer algorithm to make those ...

## *Bio – Brandon Lattu*

Brandon Lattu's work is grounded in photography, a medium that has gradually relinquished every last trace of material specificity. What remains specific about photographs is their innate referentiality; they tend to expose not themselves, but something else: life, either as it is or as it could be.
