Brooklyn by Colm Tóibín - Goodreads

'Brooklyn' is a wonderful portrayal of 1950s Ireland and America, the attitudes, the social mores, the prejudices. The drama comes from observing Eilish's every step, her every thought, wondering what she will do next. The drama is in the small things. She feels so real.

The novel I have studied is Brooklyn by Colm Toibin. Throughout the text we see many examples of the values of society. The position of women, men and family intrinsically establish the central characters in a specific position. The text has a dual setting between the 1950’s Catholic Ireland and the post world war two world of Brooklyn, America.

Colm Tóibín, (born May 30, 1955, Enniscorthy, County Wexford, Ireland), Irish author of such notable works as Brooklyn (2009), a love story set within the landscape of Irish migration to the United States in the 1950s. Tóibín was the son of a schoolteacher.

Colm Tóibín's New York Times bestselling novel—soon to be a film starring Saoirse Ronan and Jim Broadbent from the award-winning team that produced An Education—is “a moving, deeply satisfying read” (Entertainment Weekly) about a young Irish immigrant in Brooklyn in the early 1950s. “One of the most unforgettable characters in contemporary literature” (Pittsburgh Post-Gazette), Ellis Lacey has come of age in small-town Ireland in the hard years following World War Two. When an Irish priest from Brooklyn offers to sponsor Ellis in America, she decides she must go, leaving her fragile mother and her charismatic sister behind. Ellis finds work in a department store on Fulton Street, and when she least expects it, finds love. Tony, who loves the Dodgers and his big Italian family, slowly wins her over with patient charm. But just as Ellis begins to fall in love, devastating news from Ireland threatens the promise of her future. Author “Colm Tóibín...is his generation’s most gifted writer of love’s complicated, contradictory power” (Los Angeles Times). “Written with mesmerizing power and skill” (The Boston Globe), Brooklyn is a “triumph...One of those magically quiet novels that sneak up on readers and capture their imaginations” (USA TODAY).

It is Enniscorthy in the southeast of Ireland in the early 1950s. Ellis Lacey is one among many of her generation who cannot find work at home. Thus when a job is offered in America, it is clear to everyone that she must go. Leaving her family and country, Ellis heads for unfamiliar Brooklyn, and to a crowded boarding house where the landlady's intense scrutiny and the small jealousies of her fellow residents only deepen her isolation. Slowly, however, the pain of parting is buried beneath the rhythms of her new life – until she begins to realize that she has found a sort of happiness. As she falls in love, news comes from home that forces her back to Enniscorthy, not to the constrictions of her old life, but to new possibilities which conflict deeply with the life she has left behind in Brooklyn. In the quiet character of Ellis Lacey, Colm Tóibín has created one of fiction's most memorable heroines and in Brooklyn, a luminous novel of devastating power. Tóibín demonstrates once again his astonishing range and that he is a true master of nuanced prose, emotional depth, and narrative virtuosity.

Leaving her home in post-World War II Ireland to work as a bookkeeper in Brooklyn, Ellis Lacey discovers a new romance in America with a charming blond Italian man before devastating news threatens her happiness.

It is Ireland in the early 1950s and for Ellis Lacey, as for so many young Irish girls, opportunities are scarce. So when her sister arranges for her to emigrate to New York, Ellis knows she must go, leaving behind her family and her home for the first time.Arriving in a crowded lodging house in Brooklyn, Ellis can only be reminded of what she has sacrificed. She is far from home - and homesick. And just as she takes tentative steps towards friendship, and perhaps something more, Ellis receives news which sends her back to Ireland. There she will be confronted by a terrible dilemma - a devastating choice between duty and one great love.

From one of contemporary literature's bestselling, critically acclaimed, and beloved authors: a "luminous" novel (Jennifer Egan, The New York Times Book Review) about a fiercely compelling young widow navigating grief, fear, and longing, and finding her own voice—"heartrendingly transcendent" (The New York Times, Janet Maslin). Set in Wexford, Ireland, Colm Tóibín's magnificent seventh novel introduces the formidable, memorable, and deeply moving Nora Webster. Widowed at forty, with four children and not enough money, Nora has lost the love of her life, Maurice, the man who rescued her from the stifling world to which she was born. And now she fears she may be sucked back into it. Wounded, selfish, strong-willed, clinging to secrecy in a tiny community where everyone knows your business, Nora is drowning in her own sorrow and blind to the suffering of her young sons, who have lost their father. Yet she has moments of stunning insight and empathy, and when she begins to sing again, after decades, she finds solace, engagement, a haven—herself. Nora Webster "may actually be a perfect work of fiction" (Los Angeles Times), by a "beautiful and daring" writer (The New York Times Book Review) at the zenith of his career, able to "sneak up on readers and capture their imaginations" (USA TODAY). "Miraculous...Tóibín portrays Nora with tremendous sympathy and understanding" (Ron Charles, The Washington Post).

In the ancient town of Ephesus, Mary lives alone, years after her son's crucifixion. She has no interest in collaborating with the authors of the Gospel -- her keepers, who provide her with food and shelter and visit her regularly. She does not agree that her son is the Son of God; nor that his death was "worth it;" nor that the "group of misfits he gathered around him, men who could not look a woman in the eye," were holy disciples. Mary judges herself ruthlessly (she did not stay at the foot of the Cross until her son died -- she fled, to save herself), and is equally harsh on her judgement of others. This woman who we know from centuries of paintings and scripture as the docile, loving, silent, long-suffering, obedient, worshipful mother of Christ becomes a tragic heroine with the relentless eloquence of Electra or Medea or Antigone. Tóibín's tour de force of imagination and language is a portrait so vivid and convincing that our image of Mary will be forever transformed.

"Colm Tóibín's beautiful, subtle illumination of Henry James's inner life" (The New York Times) captures the loneliness and hope of a master of psychological subtlety whose forays into intimacy inevitably fail those he tried to love. Beautiful and profoundly moving, The Master tells the story of Henry James, a man born into one of America's first intellectual families who leaves his country in the late nineteenth century to live in Paris, Rome, Venice, and London among privileged artists and writers. With stunningly resonant prose, "The Master is unquestionably the work of a first-rate novelist: artful, moving, and very beautiful" (The New York Times Book Review). The emotional intensity of this portrait is riveting.

An insightful and powerful look at the magic of summer camp—and why it is so important for children to be away from home . . . if only for a little while. In an age when it's the rare child who walks to school on his own, the thought of sending your "little ones" off to sleep-away camp can be overwhelming—for you and for them. But parents' first instinct—to shelter their offspring above all else—is actually depriving kids of the major developmental milestones that occur through letting them go—and watching them come back transformed. In Homesick and Happy, renowned child psychologist Michael Thompson, PhD, shares a strong argument for, and a vital guide to, this brief loosening of ties. A great champion of summer camp, he explains how camp ushers your children into a thrilling world offering an environment that most of us at home cannot: an electronics-free zone, a multigenerational community, meaningful daily rituals like group meals and cabin clean-up, and a place where time simply slows down. In the buggy woods, icy swims, campfire sing-alongs, and daring adventures, children have emotionally significant and character-building experiences; they often grow in ways that surprise even themselves; they make lifelong memories and cherished friends. Thompson shows how children who are away from their parents can be both homesick and happy, scared and successful, anxious and exuberant. When kids go to camp—for a week, a month, or the whole summer—they can experience some of the greatest maturation of their lives, and return more independent, strong, and healthy.
