The New York Times Bestseller, with a new preface from the author “This estimable book rides into the summer doldrums like rural electrification. . . . It deals in the truths that matter.”—Dwight Garner, The New York Times “This eye-opening investigation into our country’s entrenched social hierarchy is acutely relevant.”—O. The Oprah Magazine “White Trash will change the way we think about our past and present.” —T. J. Stiles, Pulitzer Prize-winning author of *Custer’s Trials* In her groundbreaking bestselling history of the class system in America, Nancy Isenberg, co-author of *The Problem of Democracy*, takes on our comforting myths about equality, uncovering the crucial legacy of the ever-present, always embarrassing—if occasionally entertaining—poor white trash. “When you turn an election into a three-ring circus, there’s always a chance that the dancing bear will win,” says Isenberg of the political climate surrounding Sarah Palin. And we recognize how right she is today. Yet the voters that put Trump in the White House have been a permanent part of our American fabric, argues Isenberg. The wretched and landless poor have existed from the time of the earliest British colonial settlement to today’s hillbillies. They were alternately known as “waste people,” “offals,” “rubbish,” “lazy lubbers,” and “crackers.” By the 1850s, the downtrodden included so-called “clay eaters” and “sandhillers,” known for prematurely aged children distinguished by their yellowish skin, ragged clothing, and listless minds. Surveying political rhetoric and policy, popular literature and scientific theories over four hundred years, Isenberg upends assumptions about America’s supposedly class-free society—where liberty and hard work were meant to ensure real social mobility. Poor whites were central to the rise of the Republican Party in the early nineteenth century, and the Civil War itself was fought over class issues nearly as much as it was fought over slavery. Reconstruction pitted poor white trash against newly freed slaves, which factored in the rise of eugenics—a widely popular movement embraced by Theodore Roosevelt that targeted poor whites for sterilization. These poor were at the heart of New Deal reforms and LBJ’s Great Society; they haunt us in reality TV shows like *Here Comes Honey Boo Boo* and *Duck Dynasty*. Marginalized as a class, white trash have always been at or near the center of major political debates over the character of the American identity. We acknowledge racial injustice as an ugly stain on our nation’s history. With Isenberg’s landmark book, we will have to face the truth about the enduring, malevolent nature of class as well.

The Angelic Conflict rages around us. This is not a world war, This is a war beyond the world—an invisible warfare between the forces of Satan and the forces of God. Ultimately God will win. Long before the advent of human history, Satan arrogantly rebelled against his Creator. He wanted to make himself “like the Most High” and recruited one-third of the angels to follow him. God justly condemned Satan and his fallen angels to spend eternity in the lake of fire. Satan appealed the sentence, claiming unfairness—questioning how a loving God could cast His creatures into hell. Planet Earth is now the battleground where Satan seeks to outmaneuver God, prove the judgment unfair, and foil the execution of his sentence. Satan will not suffer defeat without an intense struggle. God created man to resolve this angelic conflict. Human volition is the focal point of the firestorm. Will man choose God’s grace plan of salvation or follow the arrogant system of Satan? Through the freewill decisions of mankind, God proves to Satan His perfect justice and love again and again. As believers, it is imperative we understand this spiritual warfare that surrounds us. Satan uses every ruse at his command to derail and discredit those who are in Christ. For our defense, God has provided an overwhelming advantage in a powerful suit of spiritual armor. With it we can withstand the “flaming missiles of the evil one” and become heroes in the invisible war. God is glorified as we lock shields and stand firm on His power and Word.

The fads, fashions, and media in popular consumer culture frequently make recreational and ideological “fun” of poverty and lower class living. In this book, Halnon delineates how incarceration, segregation, stigmatization, cultural and social consecration, and carnivalization work in the production and consumption of inequality.

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

A beautiful, rich, and groundbreaking book exploring Black foodways within America and around the world, curated by food activist and author of *Vegetable Kingdom* Bryant Terry. ONE OF THE TEN BEST COOKBOOKS OF THE YEAR: The New Yorker, San Francisco Chronicle, Boston Globe • ONE OF THE BEST COOKBOOKS OF THE YEAR: The Washington Post, Time Out, NPR, Los Angeles Times, Food52, Glamour, New York Post, Minneapolis Star Tribune, Vice, Epicurious, Shelf Awareness, Publishers Weekly, Library Journal “Mouthwatering, visually stunning, and intoxicating, *Black Food* tells a global story of creativity, endurance, and imagination that was sustained in the face of dispersal, displacement, and oppression.”—Imani Perry, Professor of African American Studies at Princeton University In this stunning and deeply heartfelt tribute to Black culinary ingenuity, Bryant Terry captures the broad and divergent voices of the African Diaspora through the prism of food. With contributions from more than 100 Black cultural luminaires from around the globe, the book moves through chapters exploring parts of the Black experience, from Homeland to Migration, Spirituality to Black Future, offering delicious recipes, moving essays, and arresting artwork. As much a joyful celebration of Black culture as a cookbook, *Black Food* explores the interweaving of food, experience, and community through original poetry and essays, including “Jollofing with Toni Morrison” by Sarah Ladipo Manyika, “Queer Intelligence” by Zoe Adjonoh, “The Spiritual Ecology of Black Food” by Leah Peniman, and “Foodsteps in Motion” by Michael W. Twitty. The recipes are similarly expansive and generous, including sentimental favorites and fresh takes such as Crispy Cassava Skillet Cakes from Yewande Komolafe, Okra & Shrimp Purloo from BJ Dennis, Jerk Chicken Ramen from Suzanne Barr, Avocado and Mango Salad with Spicy Pickled Carrot and Rof Dressing from Pierre Thiam, and Sweet Potato Pie from Jenné Claiborne. Visually stunning artwork from such notables as Black Panther Party creative director Emory Douglas and artist Sarina Mantle are woven throughout, and the book includes a signature musical playlist curated by Bryant. With arresting artwork and innovative design, *Black Food* is a visual and spiritual feast that will satisfy any soul.

Imagine a land where all the animals are free . . . To the creatures of the woodland, the land of Animalia sounds like a dream - a tropical island where all the animals live in harmony. They are over-shadowed by a much more evil community; the polluted Megatropolis, whose dirty skyscrapers block the horizon. And then one day, Wirral the Squirrel's woodland is destroyed by developers and he is thrown into the nightmare world of Megatropolis. But Wirral believes in Animalia and he joins with Froggo, a world-class amphibian balloonist, and Wilamina, a girl squirrel, to lead the enslaved animals of the city to a new life. So begins an exciting adventure through the mean streets of Megatropolis, over the sea and through the sky. Developed out of an exceptional fusion of creative talents, this story explodes onto every page. The plot is fast, furious and funny; the illustrations are full of rich depth and colour; and the characters live on long after you have turned the final page. It will delight children of all ages and is sure to become an enduring classic. "Young audiences will delight in the clever wordplay and smartly-drawn comic characters." Independent

The revised and updated third edition of this comprehensive slang dictionary has more than 800 new expressions. Realistic example sentences—provided for each sense of every entry—show how expressions are used in current, everyday American English. Pronunciations and cautionary notes are provided as needed, and a Phrase-Finder Index helps users locate entries quickly.
