After all payloads are deployed, the Kick Stage reignites its engine one last time to perform a "de-orbit manoeuvre". Kick Stage's ability to burn up as it re-enters the atmosphere is touted ...

The first business course written specifically for one-to-one teaching.

With its communicative syllabus, authentic business material, and expert tips from a leading management school, plus interactive multi-media, Business Result helps students learn the communication skills they need for work quickly and effectively.

The first business course written specifically for one-to-one teaching.

Business Benchmark helps students get ahead with their Business English vocabulary and skills and gives them grammar practice in business contexts. This course book provides advanced-level students with essential business language and vocabulary, and provides training and practice for the BEC Higher exam, using real BEC exam tasks provided by Cambridge ESOL. Self-study Books, Teacher's Resource Books and Audio CDs (2) are also available.

Captivating Discovery Education(TM) video and stimulating global topics spark curiosity and engage teenage learners.

An innovative, new multi-level course for the university and in-company sector. Business Advantage is the course for tomorrow's business leaders. Based on a unique syllabus that combines current business theory, business in practice and business skills - all presented using authentic, expert input - the course contains specific business-related outcomes that make the material highly relevant and engaging. The Business Advantage Intermediate level books include input from the following leading institutions and organisations: the Cambridge Judge Business School, IKEA, Emirates NBD, Isuzu and Unilever - to name but a few. The Student's Book comes with a free DVD of video case studies.

An effective program for preparing to take the TOEFL (Test of English as a Foreign Language) exam, especially for Chinese speakers. Ideal for group or self study. Answer key is included in this updated, second edition. Appropriate for pre-IBT, ITP, & PBT TOEFL and English Teacher Training.Here, for the first time, a unique approach to preparing to take the TOEFL exam--especially for Chinese speakers. Focused on the Grammar section with five steps, this program also includes strategies for the Listening Comprehension section, guidelines for success in the Reading section, and expert tips and sample topics for the Written Essay. Includes useful appendices for reference.

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

It offers business English students the fundamentals and skills they need to succeed in the competitive international business environment. Topics include business organization, CVs, and covering letters -- Back cover.

The next generation in Business English The Business is a stimulating course that provides an inclusive package for any student of business English, though particularly suited to those at college or university. The Business is supported by an extensive bank of online resources, including progress tests based on BEC style questions. A free, monthly sign-up service supplements the course with a podcast, featuring authentic listening extracts and a PowerPoint presentation based on the Students
