Traces the history of leadership from the Enlightenment to World War II to analyze the shortfalls of two

Read Online By Mark Sayers Facing Leviathan

predominant leadership styles, and argues for adopting leadership approaches rooted in the wisdom of Christ.

There are two styles of leadership at war in the world. On one side the mechanical leader casts a vision of heroic action aided by pragmatism, reason, technology, and power. On the other side the organic leader strives to bring forth creativity, defying convention, and relishing life in culture ' s margins. This leadership battle is at the heart of our contemporary culture, but it is also an ancient battle. It is the reinvocation of two great heresies, one rooted in an attempt to reach for godlikeness, the other bowing before the sea monster of the chaotic deep. Today ' s leader must answer many challenging

Read Online By Mark Sayers Facing Leviathan

questions including: What does it mean to lead in a cultural storm? How do I battle the darkness in my own heart? Is there such a thing as a perfect leader? Weaving a history of leadership through the Enlightenment, Romanticism, tumultuous 19th-century Paris, and eventually World War II, cultural commentator Mark Sayers brings history and theology together to warn of the dangers yet to come, calling us to choose a better way.

What in the world is going on? These days the world has everyone spinning. Weekly terrorist attacks. The refugee crisis. Transgender bathrooms. Academic safe spaces. Tensions with Russia. A perpetually uncertain economy. The list goes on. It ' s enough to make us crazy... or

Read Online By Mark Sayers Facing Leviathan

want to put our heads in the sand. But we can ' t, because these are our times, and we must face them. So what many Christians are looking for is someone to communicate a way forward—someone who both understands culture and trusts the Bible. Mark Sayers is such a leader, one who “ writes from the future. ” He is a gifted cultural analyst who combines his biblical knowledge, curious mind, and pastoral heart to offer a guide to the times. *Strange Days* will help Christians slow down, get their bearings, and follow God with wisdom and tact in this wild world. “ Take heart, for I have overcome the world, ” Jesus said nearly 2,000 years ago. And that ' s the message of *Strange Days*, the message the church needs today.

It's time for a return to Radical
Holiness. Welcome to the 21st
century where you can now purchase
and exchange personalities,
depending on mood and
circumstance; where you are told that
you can be anyone you want to be,
and identity is no longer based in a
sense of self but rather in the imagery
you choose at that moment. The Bible
contains a radically different way of
understanding our identity. The path
that God has chosen for us to discover
who we really are is the path of
holiness. The most exciting thing is
that this path is not for otherworldly
saints, rather it is a path of earthy,
gutsy holiness. It's a path that is not
about basing your life on this world or
of shunning your desires. Instead, it is
about bringing your hopes, your
dreams, your brokenness, your

Read Online By Mark Sayers Facing Leviathan

desires, your humanness under the Lordship of Christ. By doing this we don't just discover a new way of living out our faith, we discover a liberating, revolutionary, life-embracing way of being truly human.

Profoundly influencing people is the deep yearning of every dynamic leader, but maybe you're aiming at the wrong target. The impact you can have isn't about how good you are at what you do, but about how you let God use the influence He's given you, through your leadership. In stewarding the five foundational leadership components, in the way Ralph Mayhew suggests, your leadership will become less about you whilst at the same time having a greater impact on those you lead. The Anonymous Leader will give you a

completely different perspective on influence and leadership. A perspective, which will not only replenish your excitement and passion to lead, but equip you with a new, exciting and fresh paradigm to understand Christian leadership. In this book Ralph equips you to first lead yourself, and then lead others to become all God desires them to be. All while ensuring that Jesus is at the centre of the transformation, receiving all the credit. Grab your copy right now to begin this new adventure and be revitalized in the way you lead.

Christians often spend time arguing that Jesus rose, but we forget to appreciate why it actually matters. In the follow-up to his brilliant book on the cross, *Passion*, US pastor and well-

profound biblical insight for all who suffer in silence. Pete Greig, the acclaimed author of *Red Moon Rising*, has written his most intensely personal and honest account yet in *God on Mute*, a book born out of his wife Sammy's fight for her life and diagnosis of a debilitating brain tumor. Greig asks the timeless questions of what it means to suffer and to pray and to suffer through the silence because your prayers seem unanswered. This silence, Greig relates, is the hardest thing. The world collapses. Then all goes quiet. Words can't explain, don't fit, won't work. People avoid you and don't know what to say. So you turn to Him and you pray. You need Him more than ever before. But somehow . . . even God Himself seems on mute. In this heart-searching, honest, and

Read Online By Mark Sayers Facing Leviathan

deeply profound book, Pete Greig looks at the hard side of prayer, how to respond when there seem to be no answers, and how to cope with those who seek to interpret our experience for us. Here is a story of faith, hope, and love beyond all understanding.

What if you're living in the wrong reality? Doesn't everyone want the good life these days? Our shopping mall world offers us a never-ending array of pleasures to explore. Consumerism promises us a vision of heaven on earth—a reality that's hyper-real. We've all experienced hyperreality: a candy so 'grape-ey' it doesn't taste like grapes any more; a model's photo so manipulated that it doesn't even look like her; a theme park version of life that tells us we can have something better than the real

Read Online By Mark Sayers Facing Leviathan

thing. But what if this reality is not all that it's cracked up to be? Admit it, we've been ripped off by our culture and its version of reality that leaves us lonely, bored, and trapped. But what's the alternative? In *The Trouble With Paris*, pastor Mark Sayers shows us how the lifestyles of most young adults (19-35) actually work against a life of meaning and happiness to sabotage their faith. Sayers shows how a fresh understanding of God's intention for our world is the true path to happiness, fulfillment, and meaning.

A Washington Post Best Book of the Year: A “hypnotic” novel of the Spanish Civil War and one man’s quest to escape it (Colm Tóibín, *The New York Review of Books*). October 1936. Spanish architect Ignacio Abel

arrives at Penn Station, the final stop on his journey from war-torn Madrid, where he has left behind his wife and children, abandoning them to uncertainty. Crossing the fragile borders of Europe, Ignacio reflects on months of fratricidal conflict in his embattled country, his transformation from a bricklayer 's son to a respected bourgeois husband and professional, and the all-consuming love affair with an American woman that forever altered his life. Winner of the 2012 Prix Méditerranée Étranger and hailed as a masterpiece, *In the Night of Time* is a sweeping, grand novel and an indelible portrait of a shattered society, written by one of Spain 's most important contemporary novelists. " Labyrinthine and spellbinding . . . One of the most
