companies, have adopted RTM to develop and execute highly successful go-to-market strategies and tactics. With a step-by-step approach and dozens of examples, the authors show how you can use RTM to:

- (1) Determine the optimal level of spending for each function in marketing, sales and customer service, for each market segment, product and service.
- (2) Optimize your marketing mix and sales and distribution channels to maximize revenue and profitability throughout the product life cycle.
- (3) Get everyone in product management, marketing, sales, customer service, and your distribution partners aligned and working together to maximize results.
- (4) Get the right products and services to the right customers at the right time.
- (5) Retain existing customers and create profitable new ones.
