Joe Murray never originally intended to make Rocko's Modern Life into a cartoon series. The misadventures of the anthropomorphic Australian-immigrant wallaby named Rocko, set in the fictional world of O-Town, originally started life as an unpublished comic book series back in the late 1980s. But with Nickelodeon eager to follow up on the success of Nicktoons animated series like The Ren & Stimpy Show, Murray was encouraged to pitch the show to the network. Studio chiefs evidently saw something in Murray's premise, which tapped into the Nicktoons mantra for providing edgy animation that appealed to both kids and adults alike. Rocko's Modern Life premiered on September 18, 1993, and soon developed a cult following, thanks to Rocko and his memorable cast of supporting characters. There was Heffer the comfort-eating steer, Filburt the neurotic Woody Allen-esque turtle, and Rocko's faithful dog Spunky. Rocko's Modern Life was smart too, blending kid-friendly cartoon animation with biting satire, social commentary, and some surprisingly adult humor. "Rocko's Modern Life Trivia Questions & Answers" is a have for fans everywhere.This is questions and answers about everything relate Rocko's Modern Life. Discover now.
