In Colossians, Paul presents Christ as "the firstborn over all creation," and appeals to his readers to seek a maturity found only in Christ. In Philemon, Paul appeals to a fellow believer to receive a runaway slave in love and forgiveness. In this volume N. T. Wright offers comment on both of these important books.

Planned and written specifically for teaching and preaching needs, this critically acclaimed biblical commentary is a major contribution to scholarship and ministry.

This series is designed for those who know biblical languages. It is written primarily for the pastor and Bible teacher, not for the scholar. That is, the aim is not to review and offer a critique of every possible interpretation that has ever been given to a passage, but to exegete each passage of Scripture succinctly in its grammatical and historical context. Each passage is interpreted in the light of its biblical setting, with a view to grammatical detail, literary context, flow of biblical argument, and historical setting. While the focus will not be on application, it is expected that the authors will offer suggestions as to the direction in which application can flow.

Using the same brilliant exegesis and sound practical insight found in his previous work, Douglas J. Moo here not only accurately explains the meaning of the Letters to the Colossians and to Philemon, but also applies that meaning to twenty-first-century readers. Moo introduces each book with a series of five similar questions: To whom was it written? Who wrote it? When? Why? and What? He then divides the commentary itself into Letter Opening, Letter Body, and Letter Closing for each book, addressing the introductory thanksgiving of Philemon as well. The volume ends with thorough indexes of names, subjects, scripture references, and extrabiblical literature. Informed, methodologically astute, evangelical, and displaying a careful balance between good scholarship and pastoral concern, The Letters to the Colossians and to Philemon is readily accessible, offering something for everyone -- teacher or student, pastor or parishioner, scholar or layperson.

With a scholar's mind and a pastor's heart, Tom Wright walks you through Colossians and Philemon in this guide designed especially with everyday readers in mind. Perfect for group use or daily personal reflection, this study uses the popular inductive method combined with Wright's thoughtful insights to bring contemporary application of Scripture to life.

Philippians, Colossians, and Philemon, written by Paul from prison in the middle of the first century, were addressed to specific Christian communities facing concrete challenges. What did these letters mean at the time, and what do they mean for us today? In this addition to the Catholic Commentary on Sacred Scripture, seasoned New Testament scholar Dennis Hamm explores the significance of these letters and their enduring relevance to the life and mission of the church. Based on solid scholarship yet readily accessible, the book is enriched with pastoral reflections and applications and includes sidebars on the living tradition and biblical background.

Part of the highly regarded Crossway Classic Commentary series, this historic work has been stylistically adapted for the modern reader while preserving the message of the original expositor, J. B. Lightfoot.

Colossians and Philemon have traditionally been overshadowed by other New Testament texts thought to express Pauline theology more clearly. In this notable commentary, however, Marianne Meye Thompson shows how these two epistles provide a unique formulation of the gospel in terms of creation and reconciliation rather than justification by faith. In Colossians she finds an overarching narrative of the Bible's grand creation-redemption story and an important emphasis on the relationship between creation and Christology, while her exploration of Philemon casts brighter light on the significance of Paul's familial metaphors for the church and the meaning of new humanity in Christ. Throughout her work on these two epistles, Thompson continually connects her insights to theological concerns, making this volume an excellent addition to the Two Horizons series.

Continuing a Gold Medallion Award-winning legacy, this completely revised edition of The Expositor's Bible Commentary series puts world-class biblical scholarship in your hands. Based on the original twelve-volume set that has become a staple in college and seminary libraries and pastors' studies worldwide, this new thirteen-volume edition marshals the most current evangelical scholarship and resources. The thoroughly revised features consist of: • Comprehensive introductions • Short and precise bibliographies • Detailed outlines • Insightful expositions of passages and verses • Overviews of sections of Scripture to illuminate the big picture • Occasional reflections to give more detail on important issues • Notes on textual questions and special problems, placed close to the texts in question • Transliterations and translations of Hebrew and Greek words, enabling readers to understand even the more technical notes • A balanced and respectful approach toward marked differences of opinion

We all long for more—more wisdom, more maturity, more power, more faith. To satisfy our longings we attend seminars, go to concerts, read popular books and more. As you dig into their depths of wisdom in this ten-session LifeGuide Bible Study, you'll discover how to find lasting fulfillment in Christ.
