The European Directive on self-employed commercial agents and the UK Regulations springing from it are resulting in an ever increasing body of case law \u2013 much of which is either unsatisfactory or contradictory. Yet, despite this, the Commercial Agents (Council Directive) Regulations 1993 are still largely unknown.

Agent law - Legal Expertise - Fox Williams

In a partnership each partner is a general agent, while under corporation law the officers and all employees are agents of the corporation. The existence of agents does not, however, require a whole new law of torts or contracts. A tort is no less harmful when committed by an agent; a contract is no less binding when negotiated by an agent.

Reading: Introduction to Agency and the Types of Agents ...

An Agent is defined as a relationship between two parties called PRINCIPAL and AGENT, whereby, the function of the agent is to create a contract/s between the principal and third parties (or to act as the representative of the principal in other ways

The Law of Agency

A principal or agent is the legal agreement when one party acts on the behalf of the other. Other terms that might be used include a guardian, ward, administrator, executor, or employee. The law of agency is defined as the ability to act through another. In most cases, this applies to commercial relationships or contractual agreements.
