Country Comfort Wood Stove Replacement Parts

Country Comfort wood stoves were formerly produced by Orville Products in Ohio. While their popularity spanned from 1980 to the mid 1990s, the company eventually transitioned to manufacturing sheet metal products and ceased production of their Country Comfort wood stove line. Because the of the large product variety that exists, customers must measure their stove for this custom cut glass to ensure the measurements that we have on file from Country Comfort are accurate.

Country Comfort Wood Stove Replacement Parts

Country Comfort Fireplaces were made by a company called Orville Products Incorporated, located in Orville, Ohio. They have, since, gone out of business. They do, however, have a sister company, Follansbee Steel, who has taken over the business and supply parts, warranty, and services. Despite that, even Follansbee Steel has now sold the remaining parts and specs to another company in Canton, Ohio.

All Country: Country Comfort Fireplace CC125

The Rectangle to Round Insert Adapter Boot allows you to make connections between round flex liners to inserts and stoves with rectangle or oval exhaust openings. The heavy gauge cast iron boot can withstand extreme temperatures. The collar is angled back toward the damper. The low profile design will clear most fireplace openings.
