Through journal entries, sixteen-year-old Miranda describes her family's struggle to survive after a meteor hits the moon, causing worldwide tsunamis, earthquakes, and volcanic eruptions.

Super human powers meets sexy aliens in this fantasy/sci-fi collision as a group of teens must discover their true origins in order to save the fate of mankind. Illyria has never known a life without the Rebellion. After an alien invasion decimated the planet years before, she and her friends have spent their lives training to fight. Kill or die. Trust no one. Love is for fools. That is the way of things. At least it was until Illyria stumbles across Bastien, a dark and dangerous stranger who makes Illyria question everything she knows. He alone knows her secret. A deadly power surges within her, threatening to destroy everything around her and Bastien is the only one who can hold it at bay. Trapped between a hatred of her enemy and her desperate need to understand who and what she is, Illyria must seek help from Kyan, an alien whose tale of Illyria's origins comes with a terrible burden. Duty wars with her heart as she steps onto the path set before her, but she risks underestimating the most potent force on Earth-love. Will she have the strength to sacrifice her heart in order to save her people?

In Allison Sekemoto's world, there is one rule left: Blood calls to blood She has done the unthinkable: died so that she might continue to live. Cast out of Eden and separated from the boy she dared to love, Allie will follow the call of blood to save her creator, Kanin, from the psychotic vampire Sarren. But when the trail leads to Allie's birthplace in New Covington, what Allie finds there will change the world forever—and possibly end human and vampire existence. There's a new plague on the rise, a strain of the Red Lung virus that wiped out most of humanity generations ago—and this strain is deadly to humans and vampires alike. The only hope for a cure lies in the secrets Kanin carries, if Allie can get to him in time. Allison thought that immortality was forever. But now, with eternity itself hanging in the balance, the lines between human and monster will blur even further, and Allie must face another choice she could never have imagined having to make.

?“Vivid and elliptical... If you've ever asked yourself what would have happened if Philip Marlowe had been Odysseus... here is a clue to the answer.” —NEW WORLDS THE HUGO AWARD-WINNING FIRST NOVEL EVER WRITTEN BY THE BESTSELLING AUTHOR OF THE CHRONICLES OF AMBER! Conrad Nomikos has a long, rich personal history that he'd rather not talk about. And, as Arts Commissioner, he's been given a job he'd rather not do. Escorting an alien grandee on a guided tour of the shattered remains of Earth is not something he relishes-especially when it is apparent that this places him at the center of high-level intrigue that has some bearing on the future of Earth itself! "Roger Zelazny [was] the compleat New Wave author, so daring he could pen nothing without perturbing some

creaky icon... so strong a writer, so moving in the sweep of his plots and imagery."—David Brin

With lessons and lives of sacrifice and devotion behind her, Maya must continue the journey into her next incarnations as a young and passionate Lakota warrior on the Great American Plains; the dashing British spy Major John André, fighting the tide of a great revolution; and the desolate master of the macabre, Edgar Allan Poe. Each life is touched with love but strained by unbearable grief. Maya must experience life's most trying lesson...the devastation of loss. Special Note: Infinite Loss is not a standalone; side effects of reading the series out-of-order include headache, confusion, and though extremely rare, disinterest in continuing the series.

In this post-apocalyptic sci-fi horror series opener, zombies and humans alike threaten the future for a tough young woman. After an epidemic swept across America like a biblical plague, the government leapt into the fray with the release of a new vaccine—but what was meant to bring salvation to the survivors instead brought damnation. Mutations began within days of the drug's release, and the Withered Ones were born—those neither alive nor dead. They walked the streets, unblinking and unaware. And they were starting to evolve. Growing up on the streets taught Avery Whitlock how to care for herself, but nothing could have prepared her for the outbreak of deadly gangs, a corrupt government bent on using her blood for experiments and the depths to which desperate people would go to survive. She soon discovered that it was not the Withered Ones that she needed to fear, but those still human. The ones who knew how to put a gun to her head when they wanted something from her. Avery was forced to decide how far would she be willing to go to survive just one more day . . .
