Steiner Ensouling Language On The Art

If you're a writer of nonfiction or fiction, Ensouling Language is an essential must read book on the art of writing. While the author's focus is on non-fiction, the insights he shares can be applied to fiction. As I read this book and tried the exercises, it really helped me look at my writing from a different, deeper perspective.

3. Incorporating art into the class or syllabus can take the students out of the classroom and encourage them to use their language skills in the real world. A visit to an art exhibition or an assignment that involves research on the internet can generate all sorts of language. 4. Thinking about or even creating art can be very motivating.
