 nobody would notice one ugly extra snooping around. Besides, Aya Fuse was an expert at being invisible. Her face rank was proof of that. It sat unmoving in the corner of her vision: 451,396. She let out a slow sigh. In a city of a million, that was total extra-land. She'd had her own

Scott Westerfeld - Ugliers 4-Extras - Miss Cecilia
 Extras is a young adult science fiction novel written by Scott Westerfeld. The novel was published and released by Simon & Schuster on October 2, 2007, and is a companion book to the Ugliers series. However, Extras differs from its predecessors in that its protagonist is fifteen-year-old Aya Fuse, not earlier protagonist Tally Youngblood. Despite the fact that Youngblood is not the main character, she still appears in the book's later chapters in a major role.

Ugliers Series by Scott Westerfeld - Goodreads
 The government feeds always said that the Prettytime was gone forever, freeing humanity from centuries of bubbleheadedness. They claimed that the divisions among ugliers, pretties, and crumb lies had all been washed away. That the last three years had unleashed a host of new technologies, setting the future in motion again.
