I'm Ivy Lane, and if I never see another faerie again, it'll be too soon. Twenty years after the faeries came and destroyed the world as we knew it, I use my specialist skills to keep rogue faeries in line and ensure humans and their magically gifted neighbours can coexist (relatively) peacefully. Nobody knows those skills came from the darkest corner of Faerie itself. When a human child disappears, replaced with a faerie changeling, I have to choose between

taking the safe road or exposing my own history with the faeries to the seductively dangerous head of the Mage Lords. He's the exact kind of distraction I don't need, but it's work with him or lose my chance to save the victims. It'll take all my skills to catch the kidnappers and stop Faerie's dark denizens overrunning the city - but if the faerie lords find out about the magic I stole last time I went into their realm, running won't save me this time...

Five years ago, I died to save my family. Through a twist of fate, I survived. Since then, I've been helping my sister run a shelter for supernaturals fleeing London's magical underworld. To fund it, I steal back dangerous magical objects that have fallen into the wrong hands. Not a simple task when I'm the only dragon shifter in London who can't turn into a dragon, but it pays the bills. When an egg belonging to an unknown dragon species is delivered to me and then promptly stolen, however, my life is overturned. To retrieve the egg, I have to

risk my neck in an underworld arena where shifters fight to survive. It doesn't hurt that a smoking hot rogue dragon shifter has my back, but even he might turn on me when he finds out about the weird new powers I've been developing since I came back from the dead. Five years ago, I died to save my family. This time it might be permanent...

the fey courts, and protect her heart in the process. Sixteen-year-old Kaye is a modern nomad. Fierce and independent, she drifts from place to place with her mother's rock band until an ominous attack forces them back to Kaye's childhood home. But Kaye's life takes another turn when she stumbles upon an injured faerie knight in the woods. Kaye has always been able to see faeries where others could not, and she chooses to save the strange young man instead of leaving him to die. But this fateful choice will have more dire consequences than she could ever predict, as Kaye soon finds herself the

unwilling pawn in an ancient and violent power struggle between two rival faerie kingdoms—a struggle that could very well mean her death.

Elora, the young princess of the Dark Faeries, plans to overthrow her tyrannical mother. All she has to do is convince her mother's loathed enemy, the Bright Queen, to join her cause. But the Bright Queen demands an offering first: a human boy.

Ruling Faerie isn't all it's cracked up to be...Colin Leffee—Lord Coileán these days—has

it all. His once-lost love is back in his life and willing to give him another chance, their daughter's magical bind and fake memories seem secure, and his hold on his mother's vacated throne hasn't wavered during his six-month reign. True, ruling a faerie court comes with the headache of superintending his quarrelsome people and placating his hostile siblings, but Coileán envisions smooth sailing ahead. But then his resident would-be knight stumbles onto a baby dragon. A sea monster in south Florida sends the merrow into a panic. The captain of his guard learns a secret with consequences for

the future of the courts. Meanwhile, the Arcanum has its own nasty surprise in store for the novice king. And with Mab's demise, a new power is rising in the Gray Lands—one willing to do whatever it takes to seize his birthright. For Coileán, the cost of his throne may be everything—and everyone—he holds dear.

With Earth on the brink of war with Ada's homeworld, the Alliance has reached crisis point. While Ada faces the truths her guardian, Nell, kept from her all her life, Kay faces the backlash from his father's

last, terrible act as a council member. Nobody can be trusted, and betrayal lurks at every corner. As the inevitable cross-world war threatens everything they care about, Ada and Kay must make devastating choices. If the Alliance falls, so does the Multiverse. And this time, there's no going back...

Ada is gone, taken by a group of magic-resistant warriors with a grudge against the Alliance. Kay is stranded on Earth, with no way to reach her. But he won't accept that Ada is lost. Ada refuses to resign herself to her fate as a weapon of the Stoneskins.

Tapping into her own magic might be her key to escape, but now she's in an unknown world, far beyond the reach of the Alliance. And the terrifying StoneKing has his eye on her -- and her magic -- for reasons she never could have seen coming. Kay puts his job, and his life, on the line to get to Ada. But with powers shifting inside and outside the Alliance and an old enemy waiting in the shadows, the countdown to war has begun... and Ada is right at the centre.

It's hard to defend the Earth from deadly monsters when you suspect you might be one of

them. Discovering she's a walking magical weapon is just the beginning of Ada's problems. Her guardian thinks she's turned traitor, and her new boss has put her on goblin-catching duty. With enemies around every corner and a centaur uprising threatening to bring a bloodbath to Earth's doorstep, Ada and Kay are once again thrown into danger -- and a conspiracy that could change the world as they know it. Against an enemy they quite literally can't see, Ada and Kay must face up to the real, deadly potential of magic...

When Earth suddenly gains inexplicably high levels of magic, all fingers point at the Alliance. With griffins and unicorns running amok around London and dangerous monsters escaping from the Passages, Ada and Kay are sent to seek out the source of the trouble. On a distant world, where magic-fuelled forces of nature rule over humans, a disaster is sweeping the land. When Kay and Ada travel there with the other Ambassadors, they encounter a terrifying force of nature tied to their own magic in ways they never expected. Worse, the rising magic level sends their own abilities haywire. While Ada barely
