Fast Food Nation What The

Fast Food Nation is a landmark book right up there in importance with Rachel Carson's Silent Spring. Originally published in 2002 (and reissued in 2012 with a new Afterward), it's equally relevant today. But, if you're a fast food fanatic you might want to pass on reading it for fear of being driven to vegetarianism.

Fast food nation: what the all-American meal is doing to ...

Fast Food Nation is a fascinating and very readable book. In some ways it reminds me of Upton Sinclair's *The Jungle*. It's not only a critique of fast food, the chemicals we are ingesting and the health problems we are facing, it is also critical of a system that allows exploitation of young, old and immigrant workers, and of the suburban sprawl that resulted from the eradication of efficient and environmentally friendly public transportation by the auto industry.

# Get Free Fast Food Nation What The All American Meal Is Doing To The World

Explores the homogenization of American culture and the impact of the fast food industry on modern-day health, economy, politics, popular culture, entertainment, and food production.

Eric Schlosser has visited the state of the art labs where scientists recreate the flavours and smells of everything from cooked chicken to fresh strawberries in the test tube and he has spoken to workers at meatpacking plants with some of the worst safety records in the world. He explores the links between Hollywood and the fast food trade, and the tactics used to target ever younger consumers. In a meticulously researched and powerfully argued account, *Fast Food Nation* reveals the full price of our appetite for instant gratification.

Examines the fast food industry with facts about its evolution and practices, the effects of fast food consumption on public health, and the international success of fast food.

New York Times Bestseller: The shadowy world of "off the books" businesses—from marijuana to migrant workers—brought to life by the author of *Fast Food Nation*. America's black market is much larger than we realize, and it affects us all deeply, whether or not we smoke pot, rent a risqué video, or pay our kids' nannies in cash. In *Reefer Madness*, the award-winning investigative journalist Eric

## Get Free Fast Food Nation What The All American Meal Is Doing To The World

Schlosser turns his exacting eye to the underbelly of American capitalism and its far-reaching influence on our society. Exposing three American mainstays—pot, porn, and illegal immigrants—Schlosser shows how the black market has burgeoned over the past several decades. He also draws compelling parallels between underground and overground: how tycoons and gangsters rise and fall, how new technology shapes a market, how government intervention can reinvigorate black markets as well as mainstream ones, and how big business learns—and profits—from the underground. “Captivating . . . Compelling tales of crime and punishment as well as an illuminating glimpse at the inner workings of the underground economy. The book revolves around two figures: Mark Young of Indiana, who was sentenced to life in prison without parole for his relatively minor role in a marijuana deal; and Reuben Sturman, an enigmatic Ohio man who built and controlled a formidable pornography distribution empire before finally being convicted of tax evasion. . . . Schlosser unravels an American society that has “become alienated and at odds with itself.” Like *Fast Food Nation*, this is an eye-opening book, offering the same high level of reporting and research.” —Publishers Weekly

Every book tells a story . . . And the 70 titles in the Pocket Penguins series are emblematic of the renowned breadth and quality that formed part of the original Penguin vision in 1935 and that continue to define our publishing today. Together, they tell one version of the unique story of Penguin Books. Eric Schlosser's inimitable brand of hard-hitting yet always entertaining writing looks beneath the surface of American life to examine issues ranging from the black market to burgers. When Penguin published his expose *Fast Food Nation* in 2001, it sparked a storm in the fast food industry. This piece on the terrifying true cost of cheap meat shows why Schlosser has been instrumental in changing our attitudes to what we eat.

Uncovers the influences that have conditioned people to overeat, explaining how combinations of fat, sugar, and sa

A modern girl's guide to the secrets of eating for health, beauty, and peace of mind. "Part Joan Rivers, part Mahatma Gandhi, Jessica Porter makes macrobiotics meaningful, hilarious, and totally life-changing." Simon Doonan, creative director, Barneys New York and author of *Wacky Chicks* Heralded by *New York* magazine as one of the city's most popular diets, macrobiotics has become the latest trend in dieting, thanks to high-profile supporters like Madonna and Gwyneth Paltrow. Speaking to the generation of young women looking to extend their healthy lifestyles beyond yoga and Pilates, macrobiotic chef and instructor Jessica Porter offers fresh, contemporary, and accessible insight into one of the world's most popular diets that is based on century's old principles. She explains that through the right balance of food, women can find balance in every aspect of their lives—improved health, weight loss, or fulfilling relationships. The effects of eating a macrobiotic diet can extend beyond basic health to weight loss, beauty, better sex, and peace of mind. Cooking tips and recipes are combined with Jessica's no-nonsense philosophy and witty anecdotes to create a lifestyle book that will inspire women to hit the kitchen with an understanding of how to strengthen their mind and body through food.

This informative volume explores Eric Schlosser's *Fast Food Nation* through the lens of the food industry. Coverage includes: an examination of Schlosser's life as an investigative journalist; Schlosser's

# Get Free Fast Food Nation What The All American Meal Is Doing To The World

view of the food industry as demonstrated in his book; how investigative journalism can be viewed as literature; how Fast Food Nation has changed people's perspectives and actions; criticisms of Fast Food Nation and its message; and contemporary perspectives on the food industry with commentary on topics such as food regulations and movements.
