Traces the author's experiences as an illegal child immigrant, describing her father's violent alcoholism, her efforts to obtain a higher education, and the inspiration of Latina authors.

From popular LGBTQ advice columnist and writer John Paul Brammer comes a hilarious, heartwarming memoir-in-essays chronicling his journey growing up as a queer, mixed-race kid in America ' s heartland to becoming the " Chicano Carrie Bradshaw " of his generation. " A wise and charming book, [Brammer] is such a good writer, and so well rounded. " —David Sedaris " [Brammer] is both kind and piercingly funny, often in the same sentence....Personal and affecting....[H]ola Papi! is a master class of tone and tenderness, as Brammer balances self-compassion with humor. " —THE NEW YORK TIMES BOOK REVIEW (EDITORS ' CHOICE) " [H]ola Papi! should be] required reading. [Brammer ' s] writing is incredibly funny, kind, and gracious to his readers, and deeply vulnerable in a way that makes it feel as if he ' s talking to only you. " —LOS ANGELES TIMES The first time someone called John Paul (JP) Brammer " Papi " was on the popular gay hookup app Grindr. At first, it was flattering: JP took this as white-guy speak for " hey, handsome. " Who doesn ' t want to be called handsome? But then it happened again and again ...and again, leaving JP wondering: Who the hell is Papi? What started as a racialized moniker given to him on a hookup app soon became the inspiration for his now wildly popular advice column " ¡Hola Papi!. " launching his career as the Cheryl Strayed for young queer people everywhere—and some straight people too. JP had his doubts at first—what advice could he really offer while he himself stumbled through his early 20s? Sometimes the best advice to dole outcomes from looking within, which is what JP has done in his column and book—and readers have flocked to him for honest, heartfelt wisdom, and of course, a few laughs. In ¡Hola Papi!, JP shares his story of growing up biracial and in the closet in America ' s heartland, while attempting to answer some of life ' s toughest questions: How do I let go of the past? How do I become the person I want to be? Is there such a thing as being too gay? Should I hook up with my grade school bully now that he ' s out of the closet? Questions we ' ve all asked ourselves, surely. ¡Hola Papi! is " a warm, witty compendium of hard-won life lessons, " (Harper ' s Bazaar) for anyone—gay, straight, and everything in between—who has ever taken stock of their unique place in the world. " Readers are likely to become addicted to these stories; they ' re that good...Brammer comes to know himself very well, and readers will be delighted to make his acquaintance, too. " (Booklist, starred review).

Anita de la Torre never questioned her freedom living in the Dominican Republic. But by her 12th birthday in 1960, most of her relatives have emigrated to the United States, her Tio Toni has disappeared without a trace, and the government ' s secret police terrorize her remaining family because of their suspected opposition of el Trujillo ' s dictatorship. Using the strength and courage of her family, Anita must overcome her fears and fly to freedom, leaving all that she once knew behind. From renowned author Julia Alvarez comes an unforgettable story about adolescence, perseverance, and one girl ' s struggle to be free.

Esmeralda Santiago's story begins in rural Puerto Rico, where her childhood was full of both tenderness and domestic strife, tropical sounds and sights as well as poverty. Growing up, she learned the proper way to eat a guava, the sound of tree frogs in the mango groves at night, the taste of the delectable sausage called morcilla, and the formula for ushering a dead baby's soul to heaven. As she enters school we see the clash, both hilarious and fierce, of Puerto Rican and Yankee culture. When her mother, Mami, a force of nature, takes off to New York with her seven, soon to be eleven children, Esmeralda, the oldest, must learn new rules, a new language, and eventually take on a new identity. In this first volume of her much-praised, bestselling trilogy, Santiago brilliantly recreates the idyllic landscape and tumultuous family life of her earliest years and her tremendous journey from the barrio to Brooklyn, from translating for her mother at the welfare office to high honors at Harvard.

Pitching prodigy Michael Arroyo is on the run from social services after being banned from playing Little League baseball because rival coaches doubt he is only twelve years old and he has no parents to offer them proof. Reprint.

Winner of the 2019 Newbery Medal Thoughtful, strong-willed sixth-grader Merci Suarez navigates difficult changes with friends, family, and everyone in between in a resonant new novel from Meg Medina. Merci Suarez knew that sixth grade would be different, but she had no idea just how different. For starters, Merci has never been like the other kids at her private school in Florida, because she and her older brother, Roli, are scholarship students. They don ' t have a big house or a fancy boat, and they have to do extra community service to make up for their free tuition. So when bossy Edna Santos sets her sights on the new boy who happens to be Merci ' s school-assigned Sunshine Buddy, Merci becomes the target of Edna ' s jealousy. Things aren't going well at home, either: Merci ' s grandfather and most trusted ally, Lolo, has been acting strangely lately — forgetting important things, falling from his bike, and getting angry over nothing. No one in her family will tell Merci what's going on, so she ' s left to her own worries, while also feeling all on her own at school. In a coming-of-age tale full of humor and wisdom, award-winning author Meg Medina gets to the heart of the confusion and constant change that defines middle school — and the steadfast connection that defines family.

Simply the best investment for anyone learning to write in French! This powerful program combines the features of a word processor with databases of language reference material, a searchable dictionary, a verb conjugating referencs, and audio recordings of vocabulary, and example sentences. You will quickly learn to read, analyze, see word associations, and understand the link between language functions and linguistics structures in French.

A heartwarming and charming debut novel about family, friends, and finding your voice all wrapped up in a warm tortilla. Estefania "Stef" Soto is itching to shake off the onion-and-cilantro embrace of Tia Perla, her family's taco truck. She wants nothing more than for Papi to get a normal job and for Tia Perla to be a distant memory. Then maybe everyone at school will stop seeing her as the Taco Queen. But when her family's livelihood is threatened, and it looks like her wish will finally come true, Stef surprises everyone (including herself) by becoming the truck's unlikely champion. In this fun and heartfelt novel, Stef will discover what matters most and ultimately embrace an identity that even includes old Tia Perla.

"When Daisy Ramona zooms around her neighborhood with her papi on his motorcycle, she sees the people and places she's always known. She also sees a community that is rapidly changing around her"--
