COLONIAL ADMINISTRATION -

History Form 3 Notes

To judge the impact of colonialism on development in Africa simply by looking at outcomes during the colonial period is a conceptual mistake. Post-independence Africa looked nothing like it would have done in the absence of colonialism. Indeed, in most cases post-independence economic decline in Africa can be explicitly attributed to colonialism because the types of mechanisms that led to this ...

Since development administration is different from non-development administration it is necessary to find out the problems. Almost all the developing nations were colonies of the imperialist powers and during imperial administration there developed a type of rule that served the purpose of imperialists.
