Each book in the 30 Days with a Great Spiritual Teacher series provides a month of daily readings from one of Christianity's most beloved spiritual guides. For each day there is a brief and accessible morning meditation drawn from the mystic's writings, a simple mantra for use throughout the day, and a night prayer to focus one's thoughts as the day ends.

These easy-to-use books are the perfect prayer companion for busy people who want to root their spiritual practice in the solid ground of these great spiritual teachers. Drawing deeply from the wisdom writings of medieval English mystic Julian of Norwich, *All Will Be Well* welcomes even spiritual newcomers to the spirituality of this fourteenth-century visionary who was well ahead of her time.

Offers an alternate, lower key setting for selected titles from the GIA hymnals: Gather -second edition, Gather Comprehensive, Ritual Song, and the Catholic Community Hymnal.

While many evangelical congregations have moved away from hymns and hymnals, these were once central fixtures in the evangelical tradition. This book examines the role and importance of hymns in evangelicalism, not only as a part of worship but as tools for theological instruction, as a means to identity formation, and as records of past spiritual experiences of the believing community. Written by knowledgeable church historians, *Wonderful Words of Life* explores the significance of hymn-singing in many dimensions of American Protestant and evangelical life. The book

# Access Free Gather Comprehensive Hymnal

focuses mainly on church life in the United States but also discusses the foundational contributions of Isaac Watts and other British hymn writers, the use of gospel songs in English Canada, and the powerful attraction of African-American gospel music for whites of several religious persuasions. Includes appendixes on the American Protestant Hymn Project and on hymns in Roman Catholic hymnals. Contributors: Susan Wise Bauer Thomas E. Bergler Virginia Lieson Brereton Esther Rothenbusch Crookshank Kevin Kee Richard J. Mouw Mark A. Noll Felicia Piscitelli Robert A. Schneider Rochelle A. Stackhouse Jeffrey VanderWilt

American Catholic hymnal

# Access Free Gather Comprehensive Hymnal

In this informative and entertaining critique of music in the Catholic Church, Thomas Day outlines a stinging indictment of the influence of popular culture on American Catholicism, particularly as expressed in church music. Taking aim at the Irish-American repertoire of songs that overwhelms Catholic music in America, Day assails the secularization of liturgical practices that began, in the author's view, with the Second Vatican Council in 1962. And while targeting the demise of services, Day remains optimistic, offering several key solutions to revitalize and nurture the latent vitality that remains among the parishioners of the American Catholic Church.
