How to Keep the Dream Alive! Network marketing is one of the fastest-growing career opportunities in the United States. Millions of people just like you have abandoned dead-end jobs for the chance to achieve the dream of growing their own businesses. What many of them find, however, is that the first year in network marketing is often the most challenging—and, for some, the most discouraging. Here, Mark Yarnell and Rene Reid Yarnell, two of the industry's most respected and successful professionals, offer you strategies on how to overcome those first-year obstacles and position yourself for lifelong success. The Yarnells provide you with a wealth of savvy advice on everything you need to know to succeed in network marketing, such as proven systems for recruiting, training, growing and supporting your downline, and much more. In an easy, step-by-step approach, you will learn how to: -Deal with rejection -Recruit and train -Avoid overmanaging your downline -Remain focused -Stay enthusiastic -Avoid unrealistic expectations -Conduct those in-home meetings -Ease out of another profession You owe it to yourself to read this inspiring book! "This will be the Bible of Network Marketing." — Doug Wead, former special assistant to the president, the Bush Administration

Over the past 20 years, Stephen Scott has had the pleasure of doing what he loves most, helping people succeed. Stephen has personally trained and mentored thousands of network marketing professionals in multiple countries, helping them develop the skills required for building a successful network marketing (also referred to as multilevel marketing) business. Throughout this book you will learn how to quickly recognize and overcome the challenges in building a successful network marketing business. How to successfully recruit, train and mentor new distributors. How to develop and maintain an active organization, with high retention rates. How to build a truly global organization that enables you to earn monthly income, from multiple countries. Stephen's primary goal is to clearly explain WHAT you need to do to achieve success in network marketing, but more important, he tells you WHY and shows you HOW! You will find the information contained in this book helpful if you:- Are new to network marketing and have no idea what to do. - Are looking for a detailed and reliable road map to network marketing success. - Are an experienced network marketer and want to take your business to the next level. - You have tried multiple network marketing opportunities but have never achieved real success. - Are not receiving the training you were promised from your 'upline leaders'. - Want to understand how to build your business both offline and online. - Want to expand your business into other countries. - Want to know the truth (good, bad, ugly) about the network marketing industry. If one or more of the statements above match what you're looking for, you've found the right book!

97% of people in network marketing fail, yet network marketing creates more millionaires than any other industry in the world. Your First 90 Days In Network Marketing written by industry veteran of 25 years Richard Ramos, provides individuals a blueprint to build a solid foundation so that they can fulfill their dreams of being able to work from home part time generating a full time income. Richard Ramos has taken traditional offline companies and transformed them into online powerhouses. In recent years, Richard Ramos took a small business and in two years helped them generate over 1 billion dollars in sales. Even though this book focuses on the network marketer, it's simple marketing strategies can be used by almost any business. Your First 90 Days In Network Marketing helps you identify your WHY and puts it into action with step by step instruction to help you create momentum and develop income for life. This book will take you from traditional belly-to-belly marketing so what we call Social Network Marketing, utilizing services like Facebook, Twitter, Hubpages, Digg and much more. We conduct presentations to thousands of people around the world at live events, and we always ask the following two questions (you can fill in the blank with your product or service). "How many of you are here to learn more about the _____, please raise your hands." (you always get a few people that raise their hands). Then we ask, "How many people are here to learn how to make more money?" Do you want to guess how many people fanatically raise their hands with excitement at the second question? Almost everyone! Take notice that we use the word "learn" in both those questions. People want to learn! The one common denominator in this industry, is that people get all hyped up after enrolling at an event or home party and don't know what to do next. Most people in this industry are sponsored by someone that just previously enrolled and also has no experience as to how to build a network marketing business. This book will not take you through the history of network marketing. We cover that subject in our other book "The Ultimate Guide For Network Marketing". Your First 90 Days In Network Marketing was designed to help you build a strong foundation over the next 90 days. Why 90 days? 90 days is point where most people give up. Most people give up because they over complicate this business, and they have not been shown an easy systematic way to duplicate themselves. Yes, I used the word easy. Just follow the easy steps outlined in the book and you'll be on your way to a lifetime of residual income. Our mission is to give our fellow network marketing community a strong foundation to help build their empires in today's ever-changing world of technology, help them become dominant players in the industry and mentor them to help change the perception of network marketing. Our industry of the home based business with the help of the internet is now converging globally into what we call Social Network Marketing. I'm convinced that Social Network Marketing is the only way people will build their financial empires now and in the future. Businesses that don't use this model will struggle and possibly cease to exist.
