~~Book Review: The Leader's Guide to Radical Management~~  
 Radical Management SM is described by Stephen Denning in his book The Leader's Guide to Radical Management: Reinventing the Workplace for the 21st Century (Jossey-Bass, 2010). Radical Management identifies five shifts that, taken together, can enable organizations to generate consistently better results for their customers, staff and shareholders: A shift from the main values being efficiency & cost cutting to values such as transparency, improvement and sustainability;

~~Radical Management~~  
 Radical Management sm is a way of managing organizations that generates at the same time high productivity, continuous innovation, deep job satisfaction and customer delight. Radical Management sm is fundamentally different from the traditional management prevalent in large organizations today. The principles of Radical Management sm help business leaders to build valuable organizations in a world of rapid change and intense global competition.
