A Handbook of Research Methods for Clinical and Health ...

A Handbook of Research Methods for Clinical and Health Psychology. Jeremy Miles, Paul Gilbert. Oxford University Press, 2005 - Language Arts & Disciplines - 315 pages. 0 Reviews. Though psychology as a discipline has grown enormously in popularity in recent years, compulsory courses in research methods and statistics are seldom embarked upon with any great enthusiasm within the undergraduate and postgraduate communities.

A Handbook of Research Methods for Clinical and Health ...

Abstract. This title is a practical guide to carrying out research in health psychology and clinical psychology. It bridges the gap between undergraduate and postgraduate study. As well as describing the various techniques and methods available to students, it provides them with a proper understanding of what a specific technique does - going beyond the introductory descriptions typical of most undergraduate methods books.
