FLR stands for female-led relationship. These are relationships in which the woman and the man agree that she will be the dominant partner, while he will be the subservient one. There are plenty of ways to engage in this type of relationship for a fulfilling and adventurous lifestyle. Here are the details on what it means, its various aspects, and how to apply FLR principles to your own relationship.

Few corporate initiatives of the last ten years have been more influential in the development of a learning culture at work than the corporate learning centre. The first edition of Sam Malone's book quickly established itself as the definitive concise guide to best practice. The second edition reflects the lessons learned since that time, along with the developments in learning technology. Setting up and sustaining a successful centre involves strategic skills such as planning and championing;
