Drawing on political and cultural indicators to explain the sudden upsurge of gay material on prime-time network television in the 1990s, this book brings together analysis of relevant Supreme Court rulings, media coverage of gay rights battles, debates about multiculturalism, concerns over political correctness, and more.

The remarkable story of a family of Jewish performers whose dwarfism helped them survive Auschwitz: “Mesmerizing . . . no reader will fail to admire the Ovitzes.” —Kirkus Reviews In this remarkable, never-before-told account of the Ovitz family, seven of whose ten members were dwarves, readers bear witness to the best and worst of humanity and to the terrible irony of the Ovitzes’ fate: being burdened with dwarfism helped them endure the Holocaust. Israeli authors Yehuda Koren and Eilat Negev weave the tale of a beloved and successful family of performers who were famous entertainers in Central Europe until the Nazis deported them to Auschwitz in May 1944. Descending into the hell of the concentration camp from the transport train, the Ovitz family—known widely as the Lilliput Troupe—was separated from other Jewish victims. Dr. Josef Mengele was notified of their arrival and they were assigned better quarters and provided more nutritious food than other inmates. The authors chronicle Mengele’s experiments upon the Ovitzes, and the creepy fondness he developed for these small people, even the songs he composed and sang to this family of singers, dancers, and klezmerim. Finally liberated by Russian troops, the family returned to their deserted village in Transylvania, and eventually found their way to a new home in Israel. This is the story of their lives—and how they escaped

Many adults and older children today are reconnecting with their inner childhood and returning to coloring for both relaxation and to unlock their creativity. Coloring is a form of active meditation and focusing your attention on the simple and repetitive tasks of bringing a black and white outline to life in beautiful and vibrant color drives away the negative thoughts and clutter of daily living, calming the mind and bringing peace to your life. For older

individuals, coloring is also extremely useful in helping to calm and center the mind, maintain the essential focusing ability of the brain and exercise those all important fine motor skills. And don't forget that coloring is not only extremely helpful when practiced individually, but is also a great and growing family activity.
