The book's philosophy: Giving someone iMovie without also teaching basic film technique is like giving a map to a teenager without teaching him to drive. Now author David Pogue is back with an expanded, revised edition, now called iMovie 2: The Missing Manual, rewritten to cover iMovie 2 and nothing but. Far deeper and more detailed than the meager set of online help screens included with iMovie, the book helps iMovie users realize the software's potential as a breakthrough in the cost ...
