The Spiceland/Nelson/Thomas author team has created the new standard in Intermediate Accounting by providing students the most accessible, comprehensive, and current Intermediate Accounting learning system. The rigorous yet readable approach has won over instructors across the country while the coherent, consistent voice of this highly dedicated, deeply engaged author team has significantly improved student understanding. The Spiceland team is committed to providing current, comprehensive, and clear coverage of Intermediate Accounting, and the tenth edition continues to leverage Connect as the premier digital teaching and learning tool on the market. Spiceland/Nelson/Thomas's Intermediate Accounting excels in fully preparing students for the CPA exam and their future careers through the materials highly acclaimed conversational writing style, carefully tuned pedagogy, and wealth of online tools. The authors help students develop a better understanding of both theoretical and practical concepts, guiding them to a more complete mastery of accounting principles. The new tenth edition has produced the most cleanly streamlined, thoroughly market-tested, and fully integrated coverage for the latest GAAP and Accounting Standards Updates, as well as tax reforms from the 2017 Tax Cuts and Jobs Act, including: Income Taxes (ch. 16) Leases (ch. 15) Revenue recognition (ch. 5) An extensive collection of NEW and updated technology assets highlight further enhancements in this edition, such as: Tableau Data Analytics Cases Auto-Graded Decision Makers' Perspective cases General Ledger Problems Concept Overview Videos Excel Simulations Guided Example Hint Videos ALEKS Accounting Cycle Review

Intermediate Accounting, 3e, by Spiceland/Sepe/Tomassini will gain support in traditional and technology-driven accounting departments, especially those looking for a more concise, decision-making text that reinforces challenging concepts via CD-ROM. The revision of this text is based around a "Learning System." The revision of this "Learning System" was built on improving the clarity of the chapters, emphasizing more decision-making in order to prepare students for the changes taking place on the CPA exam, acknowledging the diversity of students and their learning styles by creating supplemental materials to assure the success of every student, and creating a consistent text and supplemental package for both students and instructor's giving us the best possible intermediate text on the market. Returning to the Third edition is the award winning "Coach" CD-ROM. The Coach CD-ROM is a multimedia product integrating audio and video clips, animated illustrations, cases, and alternative reading material that helps students comprehend some of the more difficult topics associated with intermediate accounting. Designed specifically for the Spiceland text, instructors and students will find these learning tools placed strategically throughout the text. This is the most comprehensive Learning System in Intermediate Accounting. At only 1120 pages (300 pages less than the average intermediate accounting text), Spiceland/S/T has not sacrificed content for pages. Instead, the authors have created a very flexible text with a student friendly writing style that focuses on explaining not just how to apply a procedure, but why it's applied.

Intermediate Accounting is quickly becoming the most popular resource in its field due to its rigorous yet readable approach to coursework and the coherent, consistent voice of the author team. The Spiceland team is committed to providing current, comprehensive, and clear coverage of intermediate accounting, and the ninth edition continues to leverage Connect as the premier digital teaching and learning tool on the market. Spiceland excels in fully preparing students for the CPA exam and their future careers through the material's highly acclaimed conversational writing style, carefully tuned pedagogy, and wealth of online tools. Spiceland helps students develop a better understanding of both theoretical and practical concepts, guiding them to a more complete mastery of accounting principles. The new ninth edition fully integrates the latest FASB updates, including: Leases (ch. 15) Financial instruments (ch. 12) Revenue recognition (ch. 5) An extensive collection of NEW technology assets highlight further enhancements in this edition, such as: Concept Overview Videos Excel Simulations General Ledger Problems Accounting Cycle Review Improved Connect user interface

Adopters and reviewers praise Intermediate Accounting, 4e, by Spiceland/Sepe/Tomassini for its superior readability, strong supplements package/learning system, good EOC, real-world flavor, consistent quality, and high student engagement. Intermediate Accounting, 4e will gain support in both traditional and progressive accounting departments, especially those looking for a more concise, decision-making text that reinforces challenging concepts. The authors have created a flexible text with a student friendly writing style that focuses on explaining not only how to apply a procedure, but why it's applied. Intermediate Accounting, 4e is built around a "Learning System" designed to prepare students for the new CPA exam and the business world, by emphasizing decision making. Acknowledging the diversity of students and their learning styles, the authors have created a clear text and varied supplemental materials to aid the success of every student. Intermediate Accounting, 4e also provides a flexible and consistent supplemental package for instructors.

Intermediate Accounting, 6/e is built around a Learning System designed to prepare students for the new CPA exam and the business world, by emphasizing decision making. Acknowledging the diversity of students and their learning styles, the authors have created a clear text and varied supplemental materials to aid the success of every student. Intermediate Accounting, 6/e also provides a flexible and consistent supplemental package for instructors.

Rated the most satisfying textbook by students in independent research, Spiceland/Sepe/Nelson's Intermediate Accounting, 6th Edition, has the quality, flexibility, and attention to detail students need to master a challenging subject. It's your Vehicle to Success in the Intermediate Accounting course and beyond! Spiceland/Sepe/Nelson provides a decision maker's perspective to emphasize the professional judgment and critical thinking skills required of accountants today. Reviewers, instructors, and student users of Spiceland have enthusiastically embraced the relaxed, conversational writing style that engages students in an enjoyable and effective learning experience. In addition, accounting's preeminent textbook website provides students a wide variety of electronic learning resources, including iPod content. Study Guide, Instructor's Manual, Solutions Manual, Testbank, and Website content are all created by authors, ensuring seamless compatibility throughout the Spiceland learning package. The end-of-chapter material is also written by the author team and tested in their own classes before being included in Intermediate Accounting. Few areas see the kind of rapid change that accounting does, and the Spiceland team is committed to staying current. The sixth edition fully integrates all the latest FASB Standards, and the authors are committed to keeping you updated with all relevant content changes throughout the edition.

Intermediate Accounting by Kieso, Weygandt, and Warfield is, quite simply, the standard by which all other intermediate texts are measured. Throughout the thirty years, and ten best-selling editions, the text has built a reputation for accuracy, comprehensiveness, and student success. This Updated Edition features and incorporates the 2005 FASB key accounting standards that have been updated since the original publication of "Intermediate Accounting, 11th Edition." The Updated Eleventh Edition maintains the qualities for which the text is globally recognized, and continues to be your students' gateway to the profession! Included in the package is the "Problem-Solving Survival Guide."

Adopters and reviewers praise Intermediate Accounting, 4e, by Spiceland/Sepe/Tomassini for its superior readability, strong supplements package/learning system, good EOC, real-world flavor, consistent quality; and high student engagement. SST 4e will gain support in both traditional and progressive accounting departments, especially those looking for a more concise, decision-making text that reinforces challenging concepts. The authors have created a flexible text with a student friendly writing style that focuses on explaining not only how to apply a procedure, but why it's applied. SST 4e is built around a "Learning System" designed to prepare students for the new CPA exam and the business world, by emphasizing decision making. Acknowledging the diversity of students and their learning styles, the authors have created a clear text and varied supplemental materials to aid the success of every student. SST 4e also provides a flexible and consistent supplemental package for instructors.
