There are two Italian versions of this film.
The first from 1955 and the second from 1997.
The second dubbing is notorious with Italian
fans for being the worst Italian redub Disney
has done. Many of the dubbers in the second
dubbing are Italian celebrities.

Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike

me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film

che si nasconde dietro lo pseudonimo, è invece una giovane donna fragile e con un difficile passato, fatto di vessazioni in collegio, di disturbi alimentari e di una madre crudele. Per fortuna al suo fianco ha le sue sei migliori amiche, che rappresentano per lei la famiglia, visto che su quella vera non ha mai potuto contare. Un giorno, una serie di sfortunati eventi, la portano a incappare in Gerard Gordon, un luminare di neurochirurgia ma anche una delle cause della sua sofferenza negli anni dell'adolescenza. L'affascinante medico sembra pentito, ma ciò che Liv ha vissuto è troppo per poterlo

dimenticare. Tuttavia, gli incontri con Gerard si fanno più frequenti, e in lei qualcosa cambia. A partire dal nuovo taglio di capelli. L'attrazione verso Gerard la fa sentire estremamente vulnerabile, ma allo stesso tempo la catapulta dentro emozioni che credeva esistessero solo tra le pagine dei libri. Il passato, però, si frapponne di nuovo tra loro e l'emergere di nuovi segreti sembra voler minare ancora una volta la loro relazione, finché un colpo di scena darà un tale scossone alle vite di entrambi che ogni cosa troverà all'improvviso il proprio posto. A cominciare dalla passione e dall'amore.

"UNA CAREZZA SUL CUORE E UN BRIVIDO SULLA PELLE" - Harem's Book

For over a thousand years Ireland has been a host to a surprising variety of languages and cultures. Every area of Irish life and cultural expression has been informed by this contact with diverse language groups. This book is an innovative collection of essays that for the first time assesses the multilingual and, by extension, multicultural inheritance of Ireland over two millennia. Leading scholars in language and translation studies from all over Ireland offer a

comprehensive overview and accessible insight into the origins, development and intercultural fortunes of different languages on the island of Ireland from the early medieval period onwards. Among the languages and cultures presented in the volume are Irish, English, French, German, Ulster Scots, Ancient Greek and Latin. Contributors will also be situating the multilingual history of Ireland in terms of larger debates on globalization, the future of language diversity and the nature of diasporic cultures. The publication of this book is most timely as Ireland is faced with the

challenges of a multicultural and multilingual society and the volume will be an important contribution to national self-understanding and cultural debate.
