A collection of 100 postcards, each featuring a different and iconic Penguin book jacket. From classics to crime, here are over seventy years of quintessentially British design in one box. In 1935 Allen Lane stood on a platform at Exeter railway station, looking for a good book for the journey to London. His disappointment at the poor range of paperbacks on offer led him to found Penguin Books. The quality paperback had arrived. Declaring that 'good design is no more expensive than bad', Lane was adamant that his Penguin paperbacks should cost no more than a packet of cigarettes, but that they should always look distinctive. Ever since then, from their original - now world-famous - look featuring three bold horizontal stripes, through many different stylish, inventive and iconic cover designs, Penguin's paperback jackets have been a constantly evolving part of Britain's culture. And whether they're for classics, crime, reference or prize-winning novels, they still follow Allen Lane's original design mantra. Sometimes, you definitely should judge a book by its cover.

One hundred beautiful postcards in a collectible box representing seventy years of outstanding Puffin design! For over seventy years, Puffin UK has been designing memorable covers for children's books. Now available in the US for the first time, Postcards from Puffin is a collection of one hundred postcards of the best covers in Puffin's history. Each card is printed on thick, high-quality cardstock and features a different and iconic Puffin book cover. Packaged in a lovely box designed to look like a book, with a ribbon, this is a deluxe gift for any book lover or design enthusiast. From picture books to paperbacks, and teen fiction to Puffin Classics, this is a selection sure to appeal to children and adults alike. No matter what your age or what you're into, there's a Puffin for everyone!

WITH AN INTRODUCTION BY MARK HADDON In Postcard From The Past, Tom Jackson has gathered a collection of the funniest, weirdest and most moving real messages from the backs of old postcards.

This early work by D.H Lawrence was originally published in 1923 and we are now republishing it with a brand new biography. Set in post-First World War Berkshire, The Fox, like many of D. H. Lawrence 's other major works, deals with psychological relationships, in this case, of three protagonists in a triangle of love and hatred. Lacking help from any male laborers, Nellie March and Jill Banford struggle to maintain a marginal livelihood at the Bailey Farm. A fox has raged through the poultry, and although the women—particularly the more masculine Nellie—have tried to shoot the intruder, he seems always to elude traps or gunshot. The fox becomes a hindrance, but March finds she cannot hunt it, and rather, she becomes entranced by it. Shortly after this, Henry, a young man, comes to stay with the women, and a link is established between the fox and Henry. D.H Lawrence is an English author, poet, playwright, essayist and literary critic. His collected works represent an extended reflection upon the dehumanizing effects of modernity and industrialization. In them, Lawrence confronts issues relating to emotional health and vitality, spontaneity, human sexuality and instinct.

Grandude brightens a dreary weekend for his visiting grandchildren, Lucy, Tom, Em, and Bob, by using his magic compass and postcards to take them on adventures around the world.

There was once a bear, a great, white bear - Queen of Beasts. Her kingdom was a beautiful, cold, glistening place. But over the years the ice disappeared, slipping away like sand through an hourglass. Slowly, slowly, one by one, the other animals moved on. The Great Bear has no choice but to leave her snowy realm to search for food, friends and a new home. She soon discovers a world that is growing hotter whilst hearts grow colder - until one small act of kindness changes everything. The Bear in the Stars is a story about loss, kindness and new beginnings. A striking modern fable and an original and uplifting response to the issue of climate change. A beautiful and inspirational gift for readers of all ages.

A tribute to legions of unsung children's illustrators.

This handsome box set of 100 postcards features original watercolor illustrations from David Sibley, America's leading ornithologist. Culled from The Sibley Field Guide to Birds, each bird is lovingly rendered in watercolors by David Sibley and chosen with their individual beauty and prominence in the country (with special focus on backyard birds) in mind. Housed in an elegant keepsake box, these postcards are ideal for mailing to friends and family, framed and used as d é cor, or attached to presents as unique gift tags.
