~~8 Essential Elements of the Law of Delict~~

Delict is a term in civil law jurisdictions for a civil wrong consisting of an intentional or negligent breach of duty of care that inflicts loss or harm and which triggers legal liability for the wrongdoer; however, its meaning varies from one jurisdiction to another. Other civil wrongs include breach of contract and breach of trust. Liability is imposed on the basis of moral responsibility, i.e. a duty of care or to act, and fault is the main element of liability. The term is used in mixed leg

~~Delict legal definition of delict~~

A delict is constituted by the infringement of any legally recognised interest of another party, excluding the non-fulfilment of a duty to perform by a contractual party. The primary remedy for breach of contract is directed at the enforcement, fulfillment, or execution of the contract (with a claim for damages playing a secondary part).
