marrying, raising a family, and operating a successful business. The novel unfolds through his letters to his beloved mother in China. In Tan Suang U ' s lively account of his daily life in Bangkok ' s bustling Chiantown, larger and deeper themes emerge: his determination to succeed at business in this strange new culture; his hopes for his family; his resentment at how easily his children embrace urban Thai culture at the expense of the Chinese heritage which he holds dear; his inability to understand or adopt Thai ways; and his growing alienation from a society that is changing too fast for him.

Burmese Refugees: Letters from the Thai-Burma Border The misrule of the Burmese military junta continues to be the main catalyst of refugees in Southeast Asia today. In this collection of letters, learn about the true stories of people who have fled from that regime. All of the accounts are written by the refugees themselves and explain how they became asylum seekers, what life is like in the camps, and what they envision for their future. These stories document persons from the 8888 generation, the 2007 Saffron Revolution, and various ethnic struggles. This book contains the narratives of thirty diverse individuals—all of them united by the simple desire to have a more representative government in their homeland.

"Recreates the experience of living in Thailand's aqueous climate so viscerally that you can feel the water rising around your ankles." —Ron Charles, Washington Post  
"Important, ambitious, and accomplished." —Mohsin

# Read Book Letters From Thailand A Novel Botan

Hamid, New York Times bestselling author of *Exit West* A missionary doctor pines for his native New England even as he succumbs to the vibrant chaos of nineteenth-century Siam. A post-World War II society woman marries, mothers, and holds court, little suspecting her solitary fate. A jazz pianist in the age of rock, haunted by his own ghosts, is summoned to appease the house's resident spirits. In the present, a young woman tries to outpace the long shadow of her political past. And in a New Krungthep yet to come, savvy teenagers row tourists past landmarks of the drowned old city they themselves do not remember. Time collapses as these lives collide and converge, linked by the forces voraciously making and remaking the amphibious, ever-morphing capital itself. *Bangkok Wakes to Rain* is an elegy for what time erases and a love song to all that persists, yearning, into the unknowable future.

Finalist for the 2020 Epigram Books Fiction Prize In 1970s Thailand, three young people meet each other with fateful results. Det has just lost his mother, the granddaughter of a king. He clings to his best friend Chang, a smart boy from the slums, as they go to college; while there, Det falls for Lek, a Chinese immigrant with radical ideals. Longing for glory, Det journeys into his friends' political circles, and then into the Thai jungle to fight. During Thailand's most famous period of political and artistic openness, these three friends must reconcile their deep feelings for one another with the realities of perilous political revolution. Reader Reviews: "Epic in sweep but precise in its details, *A Good True Thai* shines on all fronts. Time and again, Sunisa Manning resists easy answers, reaching for nuance, for complexity, for truth. An astounding debut from a talented

# Read Book Letters From Thailand A Novel Botan

new voice. ” —Kirstin Chen, bestselling author of *Bury What We Cannot Take* “ Sunisa Manning understands deeply and innately that politics is woven through the strongest and most ambitious fiction, just as it is through life itself. ”

—Rachel Kushner, Booker-shortlisted author of *The Mars Room* “ The story of Thailand ’ s democracy movement in the 1970s is almost unknown in the rest of the world, but Sunisa Manning insists on recapturing and preserving it in this beautiful and astonishing novel. Read and immerse yourself in a narrative that speaks so profoundly to the condition of Thailand, and the world, today. ” —Jess Row, award-winning author of *Your Face in Mine* “ Sunisa Manning brings to life a tortured, misunderstood nexus in the painful evolution of Thailand ’ s democracy with immediacy and vividness, never losing her sharply-drawn characters in the labyrinth of history. Mingling narratives of insider and outsider in a terse, swiftly-moving style, she drags the past into the present, unveiling complex truths with a remarkable clarity of vision. ” —SP Somtow, multi-award-winning author of *Jasmine Nights* “ The 1970s leftist and anti-authoritarian protests that drive the characters in Manning ’ s authentic and engaging novel are among the most important and controversial political events in modern Thai history. Frighteningly, the general context of conflicts that the novel covers is still very relevant today. Foreigners who want to understand the long-lasting crisis in Thai society, and the complex psyche behind the famous ‘ Thai smile ’ , should read this book. ” —Prabda Yoon, award-winning author of *The Sad Part Was*

"Wanna stand in the face of a charging elephant, get hit by a motorcycle, eat giant water bugs, blowtorch your mouth on some of the hottest chili peppers on earth, then go watch a sex change operation? Of course you don't, but, happily,

Jerry Hopkins has done all that and more—lots more—in this darkly humorous, deeply affectionate, clear-eyed but never patronizing portrait of Thailand, his adopted home. Highly recommended." —Tim Cahill, author of *Lost in My Own Backyard*, *Hold the Enlightenment* and *Jaguars Ripped My Flesh* "After over a decade in the country, Hopkins knows and loves his subject dearly—that much is obvious—and his vivid portrait projects that love from every page." —Jann Wenner, editor and founder of *Rolling Stone Magazine* "A loving expose of everything that's wonderful about Thailand, and much that isn't. Should be required reading for all newcomers." —Joe Cummings, author of the *Lonely Planet Thailand Guide* Writer Jerry Hopkins came to Thailand for a visit in the 1980s, and ended up a permanent resident with a temporary visa—a big, white farang haunting the bars and back alleys of Bangkok. His essays explore the mystery and mayhem of "The Land of Smiles" to hilarious—and sometimes disturbing—effect. Travel with him to a place where whisky is rum, water buffaloes are gay, insects are dinner, dildos are lucky charms, and your wildest adolescent fantasies can come true (for a nominal fee).

This volume brings together Siburapha's most highly acclaimed novel, *Behind the Painting*, with three short stories highlighting the plight of the underclass: 'Those Kind of People,' 'Lend Us a Hand,' and 'The Awakening.' *Behind the Painting* is the story of a Thai student studying in Japan who becomes infatuated with an older Thai woman. The novel reflects postwar Thai society in the vanity of the aristocracy and the pragmatism of the new elite; in the social more of concealing one's true feelings; and in the restricted existence of unmarried women and the resulting pressure to marry, whatever the circumstance. Paralleling these Thai cultural themes are the universal themes of the

# Read Book Letters From Thailand A Novel Botan

fear of aging and the vagaries of love. Siburapha (Kulap Saipradit, 1905-1974) has enjoyed a checkered reputation in the Thai literary world. A popular and accomplished writer of romantic novels in the late 1920s, his later work tackled themes of social injustice and inequality. Imprisoned from 1952 to 1957, Siburapha subsequently sought asylum in China, where he remained for the rest of his life.

Bangkok Express is an often hilarious, always dangerous, fast moving tale of the tricks and turns in an exotic land where what meets the eye often fools, if not confuses, the observer. Joe leaves behind a life of commuter trains, a messy divorce, and an egotistical boss to undertake an assignment that changes his life forever. For Joe, Thailand is a private investigator's hardest challenge. A land where women, drink and drugs come with no warning attached and nothing is what it seems. Can Joe untangle a web of corruption and lies and write the report that the suits want to see? Or is there something else on offer, something that will bring more happiness than that of a job well done? Bangkok Express is a beautifully bizarre, exotic novel that will leave the reader feeling like they just stepped off a fast moving train in the world's most exciting city.
