~~Lifelong Learning in Paid and Unpaid Work: Amazon.co.uk: D ...~~

Lifelong Learning in Paid and Unpaid Work provides a new paradigm for understanding work and learning, documenting the active contribution of workers to their development and their adaptation to paid and unpaid work. Empirical evidence drawn from national surveys in Canada and eight related case studies is used to explore the current learning activities of those in paid employment, housework and volunteer work, addressing all forms of learning including: formal schooling, further education ...

~~Human Resources: Lifelong Learning Contribution for Staff~~

Examines Britain's 'learning divide', lifelong learning (connecting schooling with other forms) and the shifts in policy and behaviour needed to establish a 'lifelong learning culture'. While there is a nod in the direction of collective experience, the focus is on the development of individualised learning (and in particular ILLAs – individual lifelong learning accounts).
