~~Lyman 50th Edition Reloading Manual — Amazon.co.uk~~

Reloading. Reloading is simply the act of reassembling a round using each of the 4 basic components; case, primer, powder and bullet. To convert these components into ammunition you are going to need a press, powder scale, dies, and a priming tool. While these are the physical tools you will need in order to complete the reloading process it is also very important that you use a reloading manual.
