After three years of dating, Anita Jain finally got fed up with the New York singles scene. As her Indian parents continued to pressure her to find a mate, Jain couldn't help asking herself the question: is arranged marriage really any worse than Craigslist? Full of romantic chance encounters, nosy relatives, and dozens of potential husbands, Marrying Anita is a refreshingly honest look at our own expectations and the modern search for the perfect mate.

A sensuous and richly-imagined historical novel that centers on a skilled young carpet weaver, her arranged marriage, and her quest for self-determination in 17th-century Persia. In 17th-century Iran, a 14-year-old woman believes she will be married within the year. But when her beloved father dies, she and her mother find themselves alone and without a dowry. With nowhere else to go, they are forced to sell the brilliant turquoise rug the young woman has woven to pay for their journey to Isfahan, where they will work as servants for her uncle, a rich rug designer in the court of the legendary Shah Abbas the Great. Despite her lowly station, the young woman blossoms as a brilliant designer of carpets, a rarity in a craft dominated by men. But while her talent flourishes, her prospects for a happy marriage grow dim. Forced into a secret marriage to a wealthy man, the young woman finds herself faced with a daunting decision: forsake her own dignity, or risk everything she has in an effort to create a new life.

The dramatic true story of a celebrated young survivor of a 1919 British massacre in India, and his ferocious twenty-year campaign of revenge that made him a hero to hundreds of millions—and spawned a classic legend. When Sir Michael O'Dwyer, the Lieutenant Governor of Punjab, ordered Brigadier General Reginald Dyer to Amritsar, he wanted Dyer to bring the troublesome city to heel. Sir Michael had become increasingly alarmed at the effect Gandhi was having on his province, as well as recent demonstrations, strikes, and shows of Hindu-Muslim unity. All these things, to Sir Michael, were a precursor to a second Indian revolt. What happened next shocked the world. An unauthorized gathering in the Jallianwallah Bagh in Amritsar in April 1919 became the focal point for Sir Michael's law enforcers. Dyer marched his soldiers into the walled garden, blocking the only exit. Then, without issuing any order to disperse, he instructed his men to open fire, turning their guns on the thickest parts of the crowd, filled with over a thousand unarmed men, women, and children. For ten minutes, the soldiers continued firing, stopping only when they ran out of ammunition. According to legend, eighteen-year-old Sikh orphan Udham Singh was injured in the attack, and remained surrounded by the dead and dying until he was able to move the next morning. Then, he supposedly picked up a handful of blood-soaked earth, smeared it across his forehead, and vowed to kill the men responsible. The truth, as the author has discovered, is more complex—but no less dramatic. Award-winning journalist Anita Anand traced Singh's journey through Africa, the United States, and across Europe until, in March 1940, he finally arrived in front of O'Dwyer himself in a London hall ready to shoot him down. *The Patient Assassin* shines a devastating light on one of history's most horrific events, but it reads like a taut thriller and reveals the incredible but true story behind a legend that still endures today.

The essays in *Marriage Proposals* envision a variety of scenarios in which adults would continue to join themselves together seeking permanent companionship and sustenance, linking sexual intimacy to a long commitment, usually caring for each other, and building new families. What would disappear are the legal consequences associated with marriage. No joint income tax return; no immigration privileges like the “fiancée visa” or the right to bring in a husband or wife; no special statuses for prison visits or hospital decisions; no prerogative to remain silent in court by claiming “confidential marital communications”; no pension entitlements; no marital benefits and detriments regarding criminal or civil liability. The anthology makes a unique contribution amid the two marriage furors of the day: same-sex marriage and the Bush Administration's “marriage movement” (that marrying is good and more marriages would be better for society). Abolishing the legal category of marriage is the only policy suggestion in current American discourse that speaks to both causes. Activists on both sides of the same-sex marriage fight, along with marriage movement partisans, all seek improvement through law reform. *Marriage Proposals* gives them a viable reform—abolition of marriage as a legal status—for fighting battles in the courtroom and the streets. Contributors include Anita Bernstein, Peggy Cooper Davis, Martha Albertson Fineman, Linda C. McClain, Marshall Miller, Lawrence Rosen, Mary Lyndon Shanley, and Dorian Solot.

Inspired by an incredible true story of two Jewish friends who survived the Holocaust, this “heartfelt and memorable tale of family, love, resilience, and the triumph of human spirit” (Pam Jenoff, *New York Times* bestselling author) spans World War II from Budapest to Austria and the postwar years from Naples to Caracas, perfect for fans of *The German Girl* and *We Were the Lucky Ones*. Spring 1946: Best friends Vera Frankel and Edith Ban arrive in Naples. Refugees from Hungary, they managed to escape from a train headed for Auschwitz and spent the rest of the war hiding on an Austrian farm. Now, the two young women are starting new lives abroad. recommendation from an American officer, Vera finds work at the United States embassy where she falls in love with Captain Anton Wight. But as Vera and Edith grapple with the aftermath of the war, so too does Anton, and when he suddenly disappears, Vera is forced to change course. Their quest for a better life takes Vera and Edith from Naples to Ellis Island to Caracas as they start careers, reunite with old friends, and rebuild their lives after terrible loss. Moving, evocative, and compelling, *The Light After the War* is a timely and “unforgettable story of strength, love, and survival” (Jillian Cantor, USA TODAY bestselling author).

The warm and hilarious bestselling memoir by a man diagnosed with Asperger syndrome who sets out to save his marriage. At some point in nearly every marriage, a wife finds herself asking, What the @#!% is wrong with my husband?! In David Finch's case, this turns out to be an apt question. Five years after he married Kristen, the love of his life, they learn that he has Asperger syndrome. The diagnosis explains David's ever-growing list of quirks and compulsions, but it doesn't make him any easier to live with. Determined to change, David sets out to understand Asperger syndrome and learn to be a better husband with an endearing yet hilarious zeal. His methods for improving his marriage involve excessive note-taking, performance reviews, and most of all, the *Journal of Best Practices*: a collection of hundreds of maxims and hard-won epiphanies, including “Don't change the radio station when she's singing along” and “Apologies do not count when you shout them.” Over the course of two years, David transforms himself from the world's most trying husband to the husband who tries the hardest. He becomes the husband he'd always meant to be. Filled with humor and surprising wisdom, *The Journal of Best Practices* is a candid story of ruthless self-improvement, a unique window into living with an autism spectrum condition, and proof that a true heart can conquer all.

Sophie and Matteo are young and in love, sharing a dissatisfaction with their bourgeois Italian upbringing. Naturally, like so many other young Westerners in the sixties and seventies, they go to India. But the realities of life in an ashram ignite their differences; Sophie wants to be a tourist and go to Goa and eat shrimp, which Matteo scorns, seeking the 'real' India. Pragmatic Sophie is disillusioned by the hardships they encounter, while her husband, who yearns for spiritual fulfillment, sees only the purity of ascetic life, leading him to Mother, a charismatic guru. Trying to reclaim an ailing Matteo, Sophie embarks on a new journey in search for a different truth; that of Mother's mysterious past. Soon, she finds that the immortal has a history of her own; born in Cairo, she was once Laila, a dancer who toured the world before coming to Bombay to search for 'divine love'. What each of the three people discover, on their individual quests, is at its heart that ancient truth: that wisdom is found in the journey itself. A stirring, profound exploration of emotional exile, of sacred and profane loves, *Journey to Ithaca* is a masterful novel.

Standing on a railway platform in a Swiss resort town, sensibly clad in his Burberry raincoat and walking shoes, a man thinks he may be looking at the woman for whom he ruined his life many years earlier. Alan Sherwood, a quiet English solicitor, remembers back to a time when he stepped briefly out of character to indulge in a liaison with Sarah Miller, an intriguing but heartless distant relative--only to find himself in a series of absurd situations that culminated in his marriage to Sarah's clinging, childlike friend Angela. With her compassionate portrait of a man who has paid a terrible price for his folly, Anita Brookner gives us a novel that is at once harrowing and humane. In the traditions of Henry James and Thomas Mann, *Altered States* is a beautifully rendered tale of loneliness, guilt, and erotic obsession.
