in 2016, two years

before its East Coast

sibling. In my review

of West Coast USA , I

architecture and
overall design. For

some reason, the

rough landscape of

the Californian region

served as an

inspiration to many

architects, which

decided to site their

creations in the desert

lands of Palm

Spring.

The Mid-century

Modern (MCM) is the design movement in interior, product, graphic design, architecture, and urban development

from roughly 1945 to 1975. It is one of my favourite design styles.
