The novel traces the lives of four women - Sarah (the "Miss Miles" of the title), Maria, Dora, and Amelia - focusing particularly on their efforts to gain economic independence and thus on women's role in society. Perhaps fewer heroines would have improved the plot, as it was a little confusing to be constantly switching viewpoints and plot threads.

Maryherself led a much less restricted life, especially in her later years as a feminist essayist who strongly urged women to consider their "first duty" to be working to support themselves. In Miss Miles, her only novel, Taylor breaks with tradition by creating a profoundly feminist and morally intense work which depicts women's friendships as sustaining life and sanity through all of the vicissitudes of Victorian womanhood.
