Overwhelmed by her uncanny ability to manipulate people's emotions through her music, Miranda Grey comes to the attention of vampire lord David Solomon. Believing he can help bring her magic under control, David discovers that Miranda's powers may affect the vampire world too...

For three years, Miranda Grey-Solomon has kept her role as Vampire Queen of the South separate from her Grammy-winning music career. But now, her dual lives are starting to collide, threatening everything Miranda and David, her Prime, have worked for. The entire Signet Council has descended upon Austin for its ten-year summit, bringing with it Prime James Hart of the Northeast, a sworn enemy come to take his revenge on those who defied him. But Miranda and David receive an unexpected offer of help from David's sire, an ancient and powerful vampire with knowledge that may be their salvation--or their doom.

Spread throughout the dark corners of our world lies the Shadow World, a society of vampires who feed off the living. In Austin, Texas, one woman must quell the cravings rising within her, as the very fate of the world rests in her hands... Ever since her Prime, David Solomon, returned from the dead, Miranda Grey has been hungry. The transformation from ordinary vampires into the ultrapowerful children of Persephone has left both Miranda and David craving the taste of death—and their appetites are growing. Meanwhile, a formerly vague threat from a fringe group of humans has turned into a full-on war. The Order of the Morningstar has devoted itself to eradicating vampires and has begun to assassinate Primes all over the globe. The Shadow World's fate depends on the Circle of Signets descended from those who subdued Morningstar hundreds of years ago—but if even a single one is killed, the war is almost certainly lost. Now, with the help of a strange new ally, Miranda must put aside her hunger and access long-forgotten magic to save the Circle, but time is running out...
