An informed, scholarly approach to the study of the historical Jesus that takes the Gospels seriously as a source of historical information.

When President Habyarimana's jet was shot down in April 1994, Rwanda erupted into a hundred-day orgy of killing - which left up to a million dead. Fergal Keane travelled through the country as the genocide was continuing, and his powerful analysis reveals the terrible truth behind the headlines. 'A tender, angry account ... As well as being a scathing indictment - Keane says the genocide inflicted on the Tutsis was planned well in advance by Hutu leaders - this is a graphic view of news-gathering in extremis. It deserves to become a classic' Independent.

An illustrated guide to some of the most classic cocktails.

Ari has finally learned the terrifying truth. She is a descendant of Medusa, cursed to become a monster designed to kill with a single touch. Haunted by the image of what she will become, Ari, with the help of the gorgeous Sebastian, is doing everything she can to learn more about Athena, the goddess who cursed her family and kidnapped young Violet. But the battle between good and evil is much bigger than she realises, and Ari is about to be pulled into a world more horrific than she could ever imagine. And now, as she prepares to face Athena, Ari must unleash the very thing she's most afraid of... herself.

Exposition of fourth dimension, concepts of relativity as Flatland characters continue adventures. Topics include curved space time as a higher dimension, special relativity, and shape of space-time. Includes 141 illustrations.

"Prayer is not so much about convincing God to do what we want God to do as it is about convincing ourselves to do what God wants us to do." -from the Introduction Activists Shane Claiborne and Jonathan

Wilson-Hartgrove show how prayer and action must go together. Their exposition of key Bible passages provides concrete examples of how a life of prayer fuels social engagement and the work of justice. Phrases like "give us this day our daily bread" and "forgive us our debts as we forgive our debtors" take on new meaning when applied to feeding the hungry or advocating for international debt relief. If you hope to see God change society, you must be an ordinary radical who prays—and then is ready to become the answer to your own prayers.

It all starts with an idea! From melodies to lyrics, great songs need great ideas to spark the creative energy that will help you write your next big hit. 1000 Songwriting Ideas is a handy book of creative exercises that stop writer's block and turn your imagination into a powerful songwriting machine. The book offers a thousand concepts to ponder as starting points for lyric and melody writing, along with some of the most provocative and inspirational examples you may encounter anywhere. These proven exercises move the lyrical self, stir the melodic soul, and give you the power to be the creative songwriter you've always wanted to be.

Forty million Americans have been driven from their lands and rural culture is being systematically crushed, even as wildlife, forests, and rangelands are dying. Journalist Elizabeth Nickson's investigations into these events have revealed a shocking truth: rather than safeguarding our environment, radical conservationists are actually destroying our natural heritage. In Eco-Fascists, Nickson documents the destructive impact of the environmental movement in North America and beyond,

detailing the extreme damage environmental radicals in local and national government agencies are doing to the land, the ecosystems, and the people. Readers of Alston Chase's *Playing God in Yellowstone* and *In a Dark Wood*, and anyone who is deeply concerned about global warming and the environment must read Elizabeth Nickson's *Eco-Fascists*.

Praxis II Speech-Language Pathology Practice Questions are the simplest way to prepare for the Praxis II Speech-Language Pathology Test. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. Our Praxis II Speech-Language Pathology Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed (and more importantly why you missed them) to be able to avoid making the same mistakes again when you take the real test. That's why our Praxis II Speech-Language Pathology Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.
