'Fighting Instinct' is the second book in the 'L'Ange series' and was also narrated by Tristan James and as with 'Old Loyalty, New Love' and 'Chosen Pride' I was completely enchanted with the arrogant, confident and slightly cocky voices of the alpha men in this series.

****INSTANT NEW YORK TIMES BESTSELLER**** In the vein of Mary Beth Keane's Ask Again, Yes and Cynthia D'Aprix Sweeney's The Nest, Tracey Lange's We Are the Brennans explores the staying power of shame—and the redemptive power of love—in an Irish Catholic family torn apart by secrets. When twenty-nine-year-old Sunday Brennan wakes up in a Los Angeles hospital, bruised and battered after a drunk driving accident she caused, she swallows her pride and goes home to her family in New York. But it's not easy. She deserted them all—and her high school sweetheart—five years before with little explanation, and they've got questions. Sunday is determined to rebuild her life back on the east coast, even if it does mean tiptoeing around resentful brothers and an ex-fiancé. The longer she stays, however, the more she realizes they need her just as much as she needs them. When a dangerous man from her past brings her family's pub business to the brink of financial ruin, the only way to protect them is to upend all their secrets—secrets that have damaged the family for generations and will threaten everything they know about their lives. In the aftermath, the Brennan family is forced to confront painful mistakes—and ultimately find a way forward, together.

L'Ange: Book Three Jon Slade finally met his mate, but instead of it being the happiest day of his life, it became the saddest when wolf shifter Kelvin MacCurdy chose his obligations over their fated bond, leaving Jon to pick up the pieces of his shattered dreams. Lucky for him, Roman Howell, his boss and the owner of L'Ange, saw promise in the fororn lion and put him to work so he wouldn't have time to sit around and lick his wounds while he waited for his wounded spirit to heal. Then the wolves make an official visit to L'Ange, and Jon finds out Kelvin's pining for him is taking its toll on his position as the king's champion. Though Kelvin's training and the expectations of others steer him toward an intended mate, Jon has an unbreakable hold on his heart, and it's no longer possible for Kelvin to keep himself from where he truly belongs. But the conclave brings more than Kelvin to the chȃteau. It also brings a challenge to jackal alpha Quade Danas, a threat that Quade and Roman, Arman and Linus, and Jon and Kelvin may have to fight in order to keep L'Ange's family intact. Jon never wanted to lead a pride, but the loyalty and devotion to one is ingrained in him. Kelvin was raised to punish anyone who questioned his king, but the calling to protect others runs through his veins just as deeply. To come out on the other side of the battle together, Jon and Kelvin will have to hold the darkness of solitary pride and broken hearts at bay and find strength in belonging to something bigger than themselves.

Rowan Petty is a common down on his luck. He's flat broke, living out of cheap hotels, and wondering how it all went wrong. His car quits on him in Reno, and he takes a job there on the bottom rung of a lousy phone scam. When he's not swindling lonely widows, he tries to turn nickels into dimes at the poker table. One snowy night, he crosses paths with a sweet-talking hooker who's tired of the streets, and sparks fly. When an old friend of his turns up spreading a rumor about two million dollars in army money smuggled out of Afghanistan and stashed in an apartment in Los Angeles, it seems like a chance at the score of a lifetime. So Petty and the hooker head south, and straight into trouble. A wounded vet, a washed-up actor, and Petty's estranged daughter are all players in the dangerous game they find themselves caught up in. For the winner: a fortune. For the loser: a bullet to the head. Propulsive, suspenseful, and written with a searing lyricism, The Snack shows once again that "Lange is a writer firing on all cylinders who belongs in the top tier of novelists working today" (Omaha World-Herald).

Beyond Love and Loyalty: The Letters of Thomas Wolfe and Elizabeth Nowell, Together with 'no More Rivers,' a Story By Thomas Wolf

L'Ange: Book Two Only a privileged few know L'Ange's head of security Arman de Soto is a shifter, and even fewer know he's been systematically killing off a pack of werewolves. The reason for this vengeance is a secret Arman trusts with no one, quite the opposite of his obvious longtime pursuit of the chȃteau's overseer, Linus Hobbes. Despite Arman's reputation as a loner, the only thing he needs to complete his life is Linus. Predator and prey just don't mix, but Arman won't give him up. Linus has lived alone for more than seven years, sheltered at L'Ange under an assumed name and hiding secrets of his own, including his terrifying attraction to the most dangerous man he's ever met. Arman knows Linus should be afraid of the predator stalking him, but Linus is still drawn to him like a moth to a flame, no matter how much he tries to deny his instincts. It's not until Linus's past and Arman's crusade exposes their secrets and opens L'Ange to attack that Arman realizes waiting any longer is a risk he just can't take. So he'll have to take his quest to the source of the threat in a gamble to protect L'Ange, Linus, and any future they might have together.

ONE OF THE MOST LOVED NOVELS OF THE DECADE. A long-lost book reappears, mysteriously connecting an old man searching for his son and a girl seeking a cure for her widowed mother's loneliness. Leo Gursky taps his radiator each evening to let his upstairs neighbor know he's still alive. But it wasn't always like this: in the Polish village of his youth, he fell in love and wrote a book...Sixty years later and half a world away, fourteen-year-old Alma, who was named after a character in that book, undertakes an adventure to find her namesake and save her family. With virtuoso skill and soaring imaginative power, Nicole Krauss gradually draws these stories together toward a climax of "extraordinary depth and beauty" (Newsday).
