The Marquis de Sade - Penguin Books UK

Philosophy in the Bedroom accounts the lascivious education of a privileged young lady at the dawn of womanhood. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world.

Philosophy in the Bedroom accounts the lascivious education of a privileged young lady at the dawn of womanhood.

The biography, the philosophy, and some of the most influential works of the infamous French writer who shocked the world with his erotic novel, *Justine*. No other writer has so scandalized proper society as the Marquis de Sade, but despite the deliberate destruction of over three-quarters of his work, Sade remains a major figure in the history of ideas. His influence on some of the greatest minds of the last century—from Baudelaire and Swinburne to Nietzsche, Dostoyevsky and Kafka—is indisputable. This volume contains *Philosophy in the Bedroom*, a major novel that presents the clearest summation of his political philosophy; *Eugénie de Franval*, a novella widely considered to be a masterpiece of eighteenth-century French literature; and the only authentic and complete American edition of his most famous work, *Justine*. This literary portrait of Sade is completed by one of his earliest philosophical efforts, *Dialogue between a Priest and a Dying Man*, a selection of his letters, a fifty-page chronology of his life, two important essays on Sade, and a bibliography of his work. “ [Sade] remains a great, horrifying, but also vastly illuminating figure. ” —*Newsweek* “ *Justine* is the most abominable book ever engendered by the most depraved imagination. ” —Napoleon Bonaparte “ Shines a perverse and revealing spotlight on the entire era of the French Revolution . . . An important and elucidating book. ” —Robert Lowry, *Chicago Sun-Times*

Rare two-volume translation of Marquis de Sade's, titillating and shocking writing. Adorned with gripping cover art and translated by renowned scholar Paul J. Gillette, this dramatic collection includes *Justine*, *Juliette*, *120 Days of Sodom* and *Philosophy in the Bedroom*. No other edition captures so purely the drama of de Sade's, forays into human sexuality. This author, who has now become as famous as his writing was considered, shocking was a forerunner of many theories and philosophies, all of which can be found within the pages of the *Complete Marquis de Sade*.

'Senneval, you see in me your sister, the girl you seduced at Nancy, the woman who murdered your son, the wife of your own father and the ignoble creature who sent your mother to the gallows...' Who but the Marquis de Sade would write, not of the pain, tragedy, and joy of love but of its crimes? Murder, seduction, and incest are among the cruel rewards for selfless love in his stories; tragedy, despair, and death the inevitable outcome. Sade's villains will stop at nothing to satisfy their depraved passions, and they in turn suffer under the thrall of love. Psychologically astute, and defiantly unconventional, these stories show Sade at his best. A skilled and artful storyteller, he is also an intellectual who asks questions about society, about ourselves, and about life, for which we have yet to find the answers. This new selection includes 'An Essay on Novels', Sade's penetrating survey of the novelist's art. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

A collection of de Sade's stories utilizing gothic conventions and questioning sexual and societal mores. The notorious author of pornographic novels and a sexual pervert who spent much of his life in prison and whose name was unmentionable in civilized circles, only in recent times has the Marquis come to be seen as misunderstood—essentially a moralist, his exploration of the so-called dark side of the human psyche remains as relevant to our society as it was to his own. This collection will provide an excellent introduction to Sade's fiction; these accessible stories range from the dramatic novella *Eugenie de Franval*, in which a father's criminal passion for his daughter leads to intrigue, abduction, and murder, to comic tales such as *The Husband Who Plays Priest*, concerning a lecherous monk who finds an ingenious way to combine clerical duties with secular pleasures. De Sade's gift as a humorist are much in evidence, as is his particular delight in unusual marital situations—which invariably lead to the most diverting conclusions.

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

The secret to happiness is to acknowledge and transform suffering, not to run away from it. In *No Mud, No Lotus*, Thich Nhat Hanh offers practices and inspiration transforming suffering and finding true joy. Thich Nhat Hanh acknowledges that because suffering can feel so bad, we try to run away from it or cover it up by consuming. We find something to eat or turn on the television. But unless we're able to face our suffering, we can't be present and available to life, and happiness will continue to elude us. Nhat Hanh shares how the practices of stopping, mindful breathing, and deep concentration can generate the energy of mindfulness within our daily lives. With that energy, we can embrace pain and calm it down, instantly bringing a measure of freedom and a clearer mind. *No Mud, No Lotus* introduces ways to be in touch with suffering without being overwhelmed by it. "When we know how to suffer," Nhat Hanh says, "we suffer much, much less." With his signature clarity and sense of joy, Thich

Nhat Hanh helps us recognize the wonders inside us and around us that we tend to take for granted and teaches us the art of happiness.

'It is possible for man to snatch the world from the darkness of absurdity' How should we think and act in the world? These writings on the human condition by one of the twentieth century's great philosophers explore the absurdity of our notions of good and evil, and show instead how we make our own destiny simply by being. One of twenty new books in the bestselling Penguin Great Ideas series. This new selection showcases a diverse list of thinkers who have helped shape our world today, from anarchists to stoics, feminists to prophets, satirists to Zen Buddhists.
