Two million dollars That's how much money anyone under age 40 will need to accumulate to retire. That often means working 40-hour-weeks and penny-pinching your whole life. How else could you save a cool \$2 mil? Finance gurus, former financial advisors, and Amazon bestselling authors, Jason Miller and Robert McDonald has one goal in mind: teaching you everything you need to know to become financially free earlier than you ever thought possible. At age 27, Jason quit her job and retired, living off \$10,000+ per month in passive income streams. Let her show you how to do it at any age--it's never too late. What is passive income? Passive income is earned with little to no ongoing work. It's no get-rich-quick scheme, but once your passive income exceeds your expenses, you are set for life. In a refreshingly realistic how-to guide, Jason and Robert serves tried and true passive income stream models, helping you to: Achieve "Financial Independence, Retire Early" without penny-pinching Create consistent, long-term residual income (the non-multi-level-marketing way), so you can live life on your terms Have the flexibility to work when, where, and if you want Say "goodbye" to your 9-5, and create a life you totally love Eliminate your money stresses and fears. If you regularly feel the Sunday Scaries or always dread getting up for work in the morning, this book is for you. This book is for the college student already dreading the 9-5 life that waits him upon

Proven methods for building an online income stream
You don't have to quit your current job, or already have piles of money, or be 24 years old, or riding a booming economy, in order to start a successful online business. The Six-Figure Second Income explains how to start or grow a business even when you think you have plenty of strikes against you. In the course of building an eight-figure real estate information marketing business, David Lindahl and Jonathan Rozek tested dozens of tools and techniques. This book is centered around principles they derived from all the tests they ran, tools they used, and money they spent. If you're tired of the gimmicks and skepticism that anyone can really succeed online, this book will give you the no-hype, no-nonsense advice you need.

are age fifty and older. The financial world is more complex than ever, and people are struggling to make sense of it all. If you're like most people moving into the phase of life where protecting—as well as growing—assets is paramount, you're faced with a number of financial puzzles. Maybe you're struggling to get your kids through college without drawing down your life's savings. Perhaps you sense your nest egg is at risk and want to move into safer investments. Maybe you're contemplating downsizing to a smaller home, but aren't sure of the financial implications. Possibly, medical expenses have become a bigger drain than you expected and you need help assessing options. Perhaps you'll shortly be eligible for social security but want to optimize when and how to take it. Whatever your specific financial issue, one thing is certain—your range of choices is vast. As the financial world becomes increasingly complex, what you need is deeply researched advice from professionals whose credentials are impeccable and who prize clarity and straightforwardness over financial mumbo-jumbo. Carrie Schwab-Pomerantz and the Schwab team have been helping clients tackle their toughest money issues for decades. Through Carrie's popular "Ask Carrie" columns, her leadership of the Charles Schwab Foundation, and her work across party lines through two White House administrations and with the President's Advisory Council on Financial Capability, she has become one of America's most trusted sources for financial advice. Here, Carrie will not only answer all the questions that keep you up at night, she'll provide answers to many questions you haven't considered but should.
