On paper. Klauser is an extremely engaging writer. I found myself smiling in response to what I thought were personal inside jokes like a lyric from "Sound of Silence" being weaved into a paragraph about the impact of the vocalization of a baby upon a group of tired, unengaged adults.

On a three-minute poem,
Put Your Heart On
Paper shows us how to
find a direct line from
our deepest thoughts to
another's heart.

A revolutionary
approach to writing that
will teach you how to
express yourself fluently
and with confidence for
the rest of your life.

Online Library Put Your Heart

No one can resist a love letter. Love letters are largely a lost and forgotten art. Not long ago suitors used the written word to work magic, and people were swept off their feet by a sweet, sincere note.

How to Write a Love Letter teaches us, once again, how to reinvent this most meaningful of arts. In today's rushed,

Online Library Put Your Heart

individualistic society,
love letters are more
potent than ever before.
They embody and
convey the mysterious,
the unexpected, and the
most utterly thoughtful.
A love letter can be
anything--from a brisk,
casual E-mail asking a
love interest to coffee to
a handwritten marriage
proposal that will serve
as a family treasure

Online Library Put Your Heart

always. Fun, flirtatious, intimate, provocative--a love letter can be any and all of these things.

Even the simplest letter can cause a stir. Barrie Dolnick and Donald Baack have collected a wide range of letters--from old family keepsakes to casual and proper office E-mails. The authors demonstrate and explain, to both

Online Library Put Your Heart

women and men, that writing a love letter is about turning sincere affection or intrigue into a unique, cherishable gesture, no matter how small the occasion or how short and uncomplicated the note. Whether you're shy and have trouble expressing your feelings face to face, or you're a romantic at heart who

Online Library Put Your Heart

wants to learn more effective ways to communicate, How to Write a Love Letter is your ultimate inspiration and guide. Go ahead. Fan the flames of a fledgling romance, or tell your husband of forty years that you still adore him as much as you did the day you first married him. Words are sexy, romantic, and

Online Library Put Your Heart

wondrous. Letters are legacies. Learn the art today, and improve your life. Julie, My life is starting to become different, even if my days seem the same.

And I must confess that it's you who has changed my outlook.

You have opened my eyes to some amazing new possibilities. Your touch is so gentle, your

Online Library Put Your Heart

kisses are so delicious,
and your body is soft
when it presses against
me. I will forever be
filled with a new sense
of wonder and joy,
because you have shared
these things with me. I
must confess that in
some ways I feel
inadequate. Can I match
your gentleness? Can I
give any feeling as
warm and secure as the

Online Library Put Your Heart

one you have bestowed
on me? You have
chosen to show me such
strong passion
combined with such
sweet affection, and I
can only hope you feel a
glimpse of the same
from me. Our time
together is very special.
There are very few

life, and you have
already given me many.
Thank you for being
such an extraordinary
part of my life. I hope
we will continue this
journey together for a
long time to come. John

How do you put your
heart on paper? By
allowing yourself to
write it out and believe
it's possible! In this

companion workbook to
Writing Your Way
Through Life, author
Tammie T. Polk shares
her process and invites
you to use it to craft
your life changing story!

Too often, people drift
through life with a
feeling of frustration,
longing to find some
adventure or purpose in
life, envious of those

Online Library Put Your Heart

whose lives seem exciting. In **WRITE IT DOWN, MAKE IT HAPPEN**, Henriette Anne Klauser shows you how to write your own lifescrypt. Simply writing down your goals in life is the first step towards achieving them. The 'writing it down' part is not about time management; it is not a 'to-do today' list that

Online Library Put Your Heart

will make you feel guilty if you don't get everything done. Rather, writing it down is about clearing your head, identifying what you want and setting your intent. You can 'make it happen' purely by believing in the possibility. In **WRITE IT DOWN, MAKE IT HAPPEN**, there are stories from ordinary

people who witnessed miracles large and small unfold in their lives after they performed the basic act of putting their goals on paper.

I lost her. No, I didn't lose her. I threw her away. She was my best friend. I was never supposed to fall in love with her. I was careless. She was heartbroken. I

thought I was doing fine. But here she is, years later, forced to work with me, reminding me why I fell in love with her in the first place. And this time I'm going to do everything in my power to never let her go.

If you stop any person on the street and ask them what causes heart

disease, you know what their answer will be: butter and eggs, meat and fat. This infamous Diet-Heart Hypothesis was proposed in 1953, and it took scientists all over the world a few decades to prove it wrong. The trouble is that while science was beginning to cast doubt upon its basic tenets, the Diet-Heart Hypothesis

Online Library Put Your Heart

was giving rise to a powerful and wealthy political and commercial machine with a vested interest in promoting it—by means of anti-fat and anti-cholesterol propaganda presented relentlessly and with increasing intensity. In this book Dr. Campbell-McBride tackles the subject of CHD (Coronary Heart

In moments of grief or loss, we often turn to the

written word to say
what cannot be said
aloud. Indeed, directing
sadness, rage, or
confusion at the page
can be tremendously
cathartic and liberating.

As we express our
deepest feelings without
reserve in poetry or
prose, we feel the power
of our words begin to
draw out some of the
pain in our hearts and

For the accomplished writer and non-writer alike, *With Pen in Hand* will help one make use of the kind of expression that in the aftermath of a crisis or loss, can make one whole again.

Losing means grieving.
Grieving means choices.
Choices mean hurt or
healing. You've lost

Online Library Put Your Heart

On Paper you love. Or
you're on the brink of
losing your marriage.
Your dreams. Your
health. Or perhaps the
trauma of your past
pursues you into the
present. Your life's
going to change. Which
way it goes won't be
decided by your loss,
but by the choices you
make. At the crossroads
of grief, one road will

healing. The other, to
more hurt. Hope When
Your Heart Is Breaking
is an honest look at both
roads, and how your
greatest loss can lead to
your greatest gain.

Author Ron Hutchcraft
writes from the deep
well of his own
devastating loss and
grief, and points you to

lead to peace and
wholeness. This book is
a pathway to hope—a
roadmap through the
pain of grief and loss.
Discover new strength
through a new closeness
to others and to God.
And make the decisions
that lead to comfort,
growth, and life.
