Based on dozens of interviews and the observation of over a thousand children in a racially integrated, working-class public school, Recess Battles is a moving reflection of urban childhood at the turn of the millennium. The book debunks myths about recess violence and challenges the notion that schoolyard play is a waste of time.

~~Recess Battles: Playing, Fighting, and Storytelling - By ...~~

This work is an exploration of the critical role of play and the gap in perception between adults and children. As children wrestle with culture through their games, recess itself has become a battleground for the control of children's time. Based on dozens of interviews and the observation of over a thousand children in a racially integrated, working-class public school, this book is a moving ...

~~Recess battles : playing, fighting, and storytelling ...~~

These sessions in Recess Battles raise questions about adult power and the changing frames of class, race, ethnicity, and gender. The grown-ups' clear misunderstanding of the complexity of children's play is contrasted with the richness of the children's folk traditions. Recess Battles is an ethnographic study of lighthearted games, a celebratory presentation of children's folklore and its conflicts, and a philosophical text concerning the ironies of everyday childhood.
