the city for the angels. But it's not her winged allies who make her a wanted woman—it's the unknown power coursing through her veins. Brutalized by an insane archangel, she was left with the bloodlust of a vampire, the ability to mesmerize her prey, and a poisonous bite. Now, someone has put a bounty on her head... Venom is one of the Seven, Archangel Raphael's private guard, and he's as infuriating as he is seductive. A centuries-old vampire, his fangs dispense a poison deadlier than Holly's. But even if Venom can protect Holly from those hunting her, he might not be able to save himself—because the strange, violent power inside Holly is awakening... No one is safe.
