Magic

What if your

birthday wish
turned you into
someone else?

Lavender and
Scarlet are nothing
alike. Scarlet is tall,
pretty, and popular
-- the star of the
soccer team and the
queen of the school.
Lavender is . . .
well, none of these
things. Her friends
aren't considered

Where To Download

cool, her hair is considered less than uncool, and her performance at the recent talent show is something nobody will ever forget -- even though she really, really wants it to be forgotten. There's only one thing Lavender and Scarlet know for

Where To Download

sure they have in common: the same birthday. They've never had parties together. They've never swapped presents. But this year, because of two wishes that turned all too true, they are about to swap something much bigger than presents. Because

Where To Download

the morning after
their birthdays,
Lavender is going
to wake up in
Scarlet's body . . .
and Scarlet is going
to wake up in
Lavender's. But in
order to change
back, they're going
to have to figure
out how to be
someone
completely opposite

Where To Download of who they At ordinarily are . . . Birthday Natalie

Standiford
She ' s the only one
who knows what
it ' s like to be the
only one. When
Claire ' s best friend,
Bess, moves away,
she becomes the
only girl left in her
entire school. At
first, she thinks
she ' ll be able to

Where To Download

deal with this --
after all, the girls ' bathroom is now completely hers, so she can turn it into her own private headquarters and draw on the walls. When it comes to soccer games or sailing races, she can face off against any boy. The problem is that her

Where To Download

other best friend, Henry, has begun to ignore her. And Webby, a super-annoying bully, won't leave her alone. And Yucky Gilbert, the boy who has a crush on her, also won't leave her alone. It's never easy being the only one -- and over the course of a

wacky school year,
Claire is going to
have to make it
through challenges
big and small. The
boys may think
they rule the
school, but when it
comes to thinking
on your feet,
Claire ' s got them
outnumbered.

tree that's literally filled with secrets. What is your secret? Minty's neighborhood is full of mysteries.

There's the Witch House, a spooky old farmhouse on the other side of woods from where Minty and her best friend, Paz, live. There's the Man Bat, a

Where To Download

Seven-foot-tall half man, half bat who is rumored to fly through the woods.

And there are the Mean Boys, David and Troy, who torment Minty for no reason, and her boy-crazy older sister, Thea, who acts weirder and weirder. One day Minty spots a flash

in the woods, and when she chases after it, she discovers a new mystery--a Secret Tree, with a hollow trunk that holds the secrets of everyone in the neighborhood. Secrets like: I put a curse on my enemy. And it's working. I'm betraying my

terrible way. No
one loves me
except my goldfish.

A new breathtaking

love and trust

for a semester
abroad as Cold War

paranoia is peaking
in 1982. She meets
a young Russian
artist named Alexei
and soon, with
Alexei as her guide,
Laura immerses
herself in the real
Russia--a crazy
world of wild
parties, black-
market books and
music, and
smuggled letters to

dissidents. She must keep the relationship secret; associating with Americans is dangerous for Alexei, and if caught, Laura could be sent home and Alexei put under surveillance or worse. At the same time, she's been warned that Soviets

often latch onto Americans in hopes of marrying them and thus escaping to the United States. But she knows Alexei loves her. Right? As June approaches--when Laura must return to the United States--Alexei asks Laura to marry him. She's only nineteen

and doesn't think she's ready to settle down. But what if Alexei is the love of her life? How can she leave him behind? If she has a chance to change his life, to rescue him from misery, shouldn't she take it?

From the author of
HOW TO SAY

of a fractured
family and three

Where To Download

Sisters' secrets The
Sullivan sisters
have a big problem.
On Christmas Day
their rich and
imperious
grandmother
gathers the family
and announces that
she will soon die . .

When three high school sophomores set up a weblog as a class project to research whether girls or boys are more sex-

more complicated.

Vince Luca is just

him; his brother is a
giant pain; and his

father keeps bugging him to get motivated. There is just one thing that really sets him apart for other kids—his father happens to be the head of a powerful crime organization. Needless to say, while Vince's family's connections can be

Where To Download

worth the trouble,
her family turns out
to be the biggest
problem of all.

Because her father
is an FBI agent—the
one who wants to
put his father away
for good.
