The Authorized Roy Orbison
"A just-released biography by Orbison’s sons Roy Jr., Wesley and Alex, titled The Authorized Roy Orbison, peels away the layers of the singer’s mystique to present a complete picture of the man, a loving husband and father as well as a musical kingpin. The three siblings, who affectionately refer to themselves as "Roy’s boys," and music journalist Jeff Slate chronicle Orbison’s career from his Texas boyhood to recording stardom and the tragic end to his life at the much-too-young age of 52.

The Authorized Roy Orbison: Orbison, Alex, Orbison Jr ...
The Authorized Roy Orbison tells the epic tale of a West Texas boy, drawn to the guitar at age six, whose monumental global career successes were matched at nearly every turn by extraordinary personal tragedies, including the loss of his first wife in a motorcycle accident and his two oldest sons in a fire.

The Authorized Roy Orbison An inspirational book that tells the story of the man who possessed the greatest pop voice of all time. From his early days in Wink Texas where he began honing his guitar skills and that amazing voice, to the end of the line with the Traveling Wilburys, Roy Orbison’s music transcends the early rock era.

☐The Authorized Roy Orbison on Apple Books
The Big O is the fifteenth music album recorded by Roy Orbison, and according to Marcel Riesco's official Roy Orbison discography, his second for London Records in the United Kingdom.The music and backing vocals were provided by English group, the Art Movement on all tracks except for "Penny Arcade", which was a studio recording and was released as a single in 1969, peaking at #27 in the UK ...

The Authorized Roy Orbison | IndieBound.org
Roy Kelton Orbison (April 23, 1936 – December 6, 1988) was an American singer, songwriter, and musician known for his impassioned singing style, complex song structures, and dark, emotional ballads. His music was described by critics as operatic, earning him the nicknames "the Caruso of Rock" and "the Big O". Many of Orbison's songs conveyed vulnerability at a time when most male rock-and ...

The Authorized Roy Orbison (Hardcover) | Vroman's Bookstore
Roy Orbison was one of the greats of rock and roll for over thirty years. I was honored to see him perform one time, and he completely blew us away with his voice and ability. And, this was just five years before his death.

For the first time, legendary performer Roy Orbison's story as one of the most beloved rock legends will be revealed through family accounts and records. Roy Orbison is a rock and roll icon almost without peer. He came of age as an artist on the venerable Sun Records label; toured with The Beatles; had massive hits in the 1960s, 1970s, and 1980s; invented the black-clad, sunglasses-wearing image of the rock star; and reinvented the art of songwriting many times over. He is a member of the Rock & Roll and Songwriters Halls of Fame, a recipient of the Musicians Hall of Fame's inaugural Iconic Riff Award, and the winner of multiple GRAMMY® awards. He is known the world over for hits like "Blue Bayou," "You Got It," and "Oh, Pretty Woman" and was a member of the band that inspired the term "supergroup"--the Traveling Wilburys, with Bob Dylan, George Harrison, Jeff Lynne, and Tom Petty. Despite these and countless other accolades, the story of Roy Orbison's life is virtually unknown to his millions of fans around the world. Now, for the first time ever, the Orbison Estate, headed by Roy's sons, Wesley, Roy Jr., and Alex Orbison, has set out to set the record straight. The Authorized Roy Orbison tells the epic tale of a West Texas boy, drawn to the guitar at age six, whose monumental global career successes were matched at nearly every turn by extraordinary personal tragedies, including the loss of his first wife in a motorcycle accident and his two oldest sons in a fire. It's a story of the intense highs and severe lows that make up the mountain range of Roy Orbison's career; one that touched four decades and ended abruptly at perhaps its highest peak, when he passed away at the age of fifty-two on December 6, 1988. Filled with hundreds of photographs, many never before seen, gathered from across the globe and uncovered from deep within the Orbison Vault, The Authorized Roy Orbison shows Roy Orbison as a young child and follows him all the way through to the peak of his stardom and up to his tragic end. Wesley, Roy Jr., and Alex Orbison-Roy's Boys-have left no stone unturned in order to illustrate the people, places, things, and events that forged their father, the man behind those famous sunglasses.

“...the notoriously media-wary Petty responds...about his life, career, and craft.” Publishers Weekly
Conversations with Tom Petty is the first authorized book to focus solely on the life and work of the man responsible for some of the most memorable rock anthems of our generation, including: American Girl, Breakdown, Don't Come Around Here No More, I Won't Back Down, Free Fallin', Rumin' Down a Dream, You Don't Know How It Feels , and many others. He was inducted into The Rock and Roll Hall of Fame in 2002 and his work with Tom Petty & the Heartbreakers, as well as his solo albums and those with the Traveling Wilburys, have been critically acclaimed the world over and have earned numerous Platinum-status awards from the Recording Industry Association of America (RIAA), as well as Grammys, MTV Awards, a star on the Hollywood Walk of Fame, and many other honours. Author, Paul Zollo, conducted a series of in-depth discussions with Tom about his career, with special focus on his song writing. The conversations are reprinted with little or no editorial comment alongside rare photographs of the legend and represent a unique perspective on Tom's entire career.

The New York Times Bestseller
One of Rolling Stone's 10 Best Music Books of 2015
An exhilarating and intimate account of the life of music legend Tom Petty, by an accomplished writer and musician who toured with Petty No one other than Warren Zanes, rocker and writer and friend, could author a book about Tom Petty that is as honest and evocative of Petty's music and the remarkable rock and roll history he and his band helped to write. Born in Gainesville, Florida, with more than a little hillbilly in his blood, Tom Petty was a Southern shit kicker, a kid without a whole lot of promise. Rock and roll made it otherwise. From meeting Elvis, to seeing the Beatles on Ed Sullivan, to producing Del Shannon, backing Bob Dylan, putting together a band with George Harrison, Dylan, Roy Orbison, and Jeff Lynne, making records with Johnny Cash, and sending well more than a dozen of his own celebrated recordings high onto the charts, Tom Petty's story has all the drama of a rock and roll epic. Now in his mid-sixties, still making records and still touring, Petty, known for his reclusive style, has shared with Warren Zanes his insights and arguments, his regrets and lasting ambitions, and the details of his life on and off the stage. This is a book for those who know and love the songs, from "American Girl" and "Refugee" to "Free Fallin'" and "Mary Jane's Last Dance," and for those who want to see the classic rock and roll era embodied in one man's remarkable story. Dark and mysterious, Petty manages to come back, again and again, showing us what the music can do and where it can take us.

This book is the authorized chronicle of the Atlanta Rhythm Section, the legendary southern rock band that created such memorable hits as "Champagne Jam," "So Into You," "Imaginary Lover," "Spooky," and "Doraville." Already seasoned studio professionals when they formed in 1970, the A.R.S. forged a new direction in southern rock by focusing on the integrity of their music onstage and in the studio. Through platinum and gold albums--A Rock and Roll Alternative, Champagne Jam, and Underdog--as well as international tours, huge outdoor concerts, and personnel changes, the band has staunchly maintained its dedication to its craft over the decades. This story contains recollections from original and current band members, producers, technicians, other musicians, and fans, as well as more than 120 photos of band members from the early days as backup musicians for Roy Orbison and other iconic artists to the present day.

Soap star Don Diamont's most interesting storyline to date is being the real-life father and ringleader of his seven rambunctious boys. Called a "daytime deity" by Soap Opera Digest, Don Diamont is best known as the dashing publishing titan with steel abs, "Dollar Bill Spencer," on the most-watched daytime drama in the world, The Bold and the Beautiful. But all of that takes second place to his most important role to date: father to seven boys. By turns hilarious and poignant, My Seven Sons and How We Raised Each Other is a family memoir for our time. Don writes with openness and courage about the ways his family came together: by marriage, divorce, the death of his sister, and marriage again. Today's blended families might look different from the households of even a few decades ago, but the first dates, first cars, busting curfew, talking back, grounding, broken hearts, laughs, tears, and the love are the same. From his childhood growing up in LA, to his Zoolander phase as a model in both Paris and Los Angeles, to the iconic place he now occupies in daytime television, Don also gives us a glimpse into a life that at times could have been scripted for a soap opera. And, with brutal honesty, he tells of the personal devastation he suffered after the deaths of his father, brother, and sister. My Seven Sons is required reading for everyone who is a parent, and all those who have one.

The story of well-known recording artist Pat Boone, who in the earliest days of rock 'n' roll worked with Elvis, Buddy Holly, Roy Orbison, the Everley Brothers, Little Richard, Jerry Lee Lewis, Fats Domino, Chuck Berry and other greats. Pat Boone has travelled a long way from his childhood days in Nashville, Tennessee. However, he remains the son his parents always wanted, and a loving husband to the childhood sweetheart he married when they were both just 19. The book traces how Pat progressed from recording artist to actor, spokesperson, TV personality, radio host, author, sportsman, composer/lyricist, religious leader and ambassador. His many achievements include 13 gold discs, two gold albums and one platinum album (Love Letters in the Sand), and the longest continuous period ever in the US charts (260 weeks). Pat has starred in many films including Journey to the Centre of the Earth, The Greatest Story Ever Told and The Cross and Switchblade.

"An absorbing account." --Jhumpa Lahiri
An encouraging and inspiring true story on how a boy from India overcame a difficult childhood and devastating hand injuries and became one of the most prolific cardiac surgeons in U.S. history. Leaving a life marked by crippling setbacks and his father's doubt, in 1967 a twenty-something doctor from India arrived in America with only five dollars and the desire to claim his American dream. The journey still awaiting Dr. Arun K. Singh would be unparalleled. Faced with an entirely new culture, racism, and the lasting effects of disabling childhood injuries, through hard work and perseverance he overcame all odds. Now having performed over 15,000 open heart surgeries, more than nearly every surgeon in history, Dr. Singh reflects on his most memorable patients and his incredible personal life. Shared for the first time, these intimate and uplifting accounts, along with photos, will have you cheering for the underdog and appreciating the enduring determination of the human spirit.
